## White-of-Egg

in Calumet a Vital Element  
Most Baking Powders LackDon't use a leavener that does not  
contain white-of-egg. When you do  
you take chances—you run the risk  
of spoiling your bakings.CALUMET  
The Economy BAKING POWDERcontains a small amount of white-of-egg. This  
makes it possible for representatives of the  
company to test it frequently for leavening  
strength—right on the dealer's counter. Nothing  
but absolutely fresh stock is permitted to remain  
on the dealers' shelves. It must always be up  
to the high Calumet standard.

BEST BY TEST

Remember the white-of-  
egg in Calumet protects  
the success of your  
bakings. It is the eco-  
nomical positive bake-  
day aid and its sale is  
2 1/2 times as much as that  
of any other brand.A pound can of Calumet  
contains full 16 ounces.  
Some baking powders  
come in 12 ounce instead  
of 16 ounce cans. Be  
sure you get a pound  
when you want it.
