Boys Arrested With Car—
When Gerald Williamson and Leo
Baker, aged 13 and 15 years, stopped
at a service station north of Grants
Pass on the Pacific highway, and
traded a new cord tire for five gal-
lons of gasoline for the Chevrolet
Coupe they were driving, suspicious
were aroused. The owner of the ser-
vice station called the sheriff's of-
fice and the boys were intercepted.
They confessed that they had taken
the car from a hotel garage at Ray-
mond, Wash., and had stolen four
tires at Sutherland. The younger of
the two boys was driving and was
barely able to see above the steer-
ing wheel. They had no money on
their person when arrested and the
younger boy was ready to return
home. They are being held in the
county jail, awaiting the arrival of
the authorities from Raymond.
