Will Feature Indian Story

The Newspaper Enterprise Asso-

per feature syndicates, is planning
to issue a feature article soon on
Mace Tipton, well known Umpqua
Valley Indian, who is now at the
Soldiers Home. Phil Sinnott, spe-
cial writer for the association, was
in the city yesterday collecting pho-
tos and data concerning the aged
Indian and says the article will soon
be sent to the N. E. A. membership
which includes some of the largest
daily newspapers in the United
States. Mr. Sinnott is also planning
a special feature article on the bo-

the Umpqua Chiefs will come in for
a good share of the publicity.—Rose-

IT'S EASY TO TAKE

with you.
Some time this month or next,
we hope you will be one of the
lucky ones to knock off a few
weeks,—and do nothing but
enjoy life.
Before you do it, come in and
tell us: "Hand me over one of
those compact little portables
you have in your window, and
about a dozen good records."
If you take our advice, you'll
have a vacation as you've never
had one before. You'll marvel
at the playing of one of these
portables which can be carried
in one hand,—and you'll be
happier for taking it with you,
—anywhere.
