

The MOST STARTLING Merchandise ANNOUNCEMENT OF the YEAR!

STATEMENT!

In order to assure you of our great desire to serve and please you at all times—and under all circumstances, I wish to make this frank statement—That although every article in this great men's institution is marked way below its regular price, and actual worth during this sale—I absolutely desire that everything purchased should be satisfactory to you—and if for any reason whatsoever you should wish to bring back any article bought during this sale—you will confer a great favor upon us by returning same for some other item—or your money will be cheerfully refunded without any argument.

Let me also state that this is the greatest sale ever held in this part of the state—since it involves the largest and finest of stocks of men's goods ever offered at such a sacrifice—Therefore it behoves every man and woman who buy for their families to take advantage and reap the benefits of this wonderful opportunity.

(Signed): J. C. BRILL.

NOTE!

In this great store today are thousands upon thousands of dollars worth of merchandise, including this season's most staple lines, and throughout this mammoth stock are such unheard of chances to save money and get just exactly what is desired in quality and seasonableness that no careful buyer within a radius of 100 miles of this store can afford to ignore the appeal this great two week's money raising sale makes to the interest of every man in this section of the state.

We are actually sacrificing thousands of dollars worth of merchandise at prices way less than their present worth and in many instances at less than wholesale cost. It is but fair to state that were it not to raise this amount of money, a sale of this description would be wholly impossible.
