PERSONAL AND LOCAL

Optical goods at Letcher & Son's. R. L. Brockley, of Roseburg, was looking after business matters here yesterday and today.

When you think of a gift, think of something that will convey the most pleasure and good will—something that your friends cannot buy—Your Photograph. Then make a bee-line for THE PICTURE MILL where they make as fine and finished photographs as can be made anywhere at any price. Make someone glad this Christmas. Phone 283-R today, make an appointment for a sitting—tomorrow never comes.

A. H. Wright has returned from a trip which took him along the coast from Marshfield to Crescent City, attending to business for the forestry office here. He reports that the storm of last week reached big proportions in the coast country.

The lady of the PICTURE MILL is still busy removing warts, bunnions, pimples, scars, freckles and wrinkles from the faces of some of her patrons—without pain or inconvenience, and when she is in one of her playful moods she has been known to grow hair on a bald head or make a fat person thin, in one minute. She guarantees to put a long nose on a short person, or a short nose on a long person, without interfering with the price of mutton chops in Chicago. See her before it is too late—and have your picture taken. Be wise and avoid the rush. Phone 283-R.

Mrs. E. Chailson has returned from a visit in Sweden, in which country she has been for the past few months. She returned here this morning.

Geo. M. Jackson, Republican candidate for District Attorney, Election Tuesday, November 4th.
