Josephine Gets \$3,466—The semi-annual apportionment of the water market road fund to the counties for the coming year has been made by the state highway commission. Of this fund, Josephine county is to receive \$3,466.

Some of the counties have not completed their obligations and will not receive their share until these obligations have been met.

Avoid—The last minute rush, have your Christmas photograph made now at Ralph Pain Studio, phone 181-J, 75

Buy Local Tracts—W. J. Clearbaugh, of Caldwell, Idaho, has purchased an 11-acre tract in the lower valley. He will leave Idaho this week with his family, and intends to be here permanently. Ona McClean has purchased an 11-acre tract west of town just out of the city limits and will start at once to build a modern bungalow.

Davenport—\$3 down and \$3 a week. C. F. T. Co.

Visits Galice School—The Galice school shows a substantial improvement this winter, states Alice M. Bacon, county school superintendent, who has just returned from a visit to that district. Mrs. Bacon states that the school has a new roof and floor and has been newly painted inside. She also found that the school work was progressing nicely.

Christmas Cards—Greeting cards with your name printed at the Courier office. We do not sell Christmas cards unprinted.

Crank Breaks Wrist—While cranking his Franklin car yesterday H. E. Holbrook was painfully injured. The crank "kicked" back, striking his wrist and breaking the bone. The engine was cold and Mr. Holbrook sought to turn it over by hand, with painful results. Dr. McBrien was called and the bone was set. Mr. Holbrook will be without the use of his arm for some time.

Addresses High School Students—P. O. Crawford, vice president and chief engineer of the California-Oregon Power company, yesterday addressed the students at the high school on engineering as a profession. Mr. Crawford took up the electrical engineering profession, emphasizing the importance of a high school education as the ground work for engineering. He also brought out the fact that engineering is probably the best type of an education from which a man may branch out into other professions. He sketched the outline of his own life, in illustrating some of his points.
