**HOROSCOPES** by Stella Wilder

FRIDAY, AUGUST 3, 2018  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are destined to follow a straight and narrow path from your earliest beginnings to your ultimate payoff -- but success along this path is not guaranteed. You will have to employ your considerable critical faculties in order to do the right things as you proceed along the course that has been set for you by the stars. If you don't, you are likely to encounter a great many threats to your reputation and rewards. Nothing is a given, even though you have set your sights on a singular prize all along, because you cannot control all the variables that you will encounter along life's journey.  
**SATURDAY, AUGUST 4**  
**LEO (July 23-Aug. 22)** -- It's time to accept with all your heart that which you had just as vehemently denied in recent days. Things are changing swiftly on many fronts.  
**VIRGO (Aug. 23-Sept. 22)** -- The unlikely is the most likely today -- and vice versa.

You're going to have to work hard to keep up with a rapidly shifting background.  
**LIBRA (Sept. 23-Oct. 22)** -- You may want to try a new approach today, but take care that you aren't simply copying someone else's trademark methods. Trust yourself.  
**SCORPIO (Oct. 23-Nov. 21)** -- You're in the mood to take things more easily than circumstances may at first allow today until you see a clear way out of a tricky situation.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Your support of another may have to be withdrawn for a time today until you are certain that no harm will come to anyone you know.  
**CAPRICORN (Dec. 22-Jan. 19)** -- It's time to give voice to those feelings you've been keeping to yourself of late. A friend is willing to give you the benefit of the doubt.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Someone you know well hasn't gotten the message you recently sent. He or she means no harm but may throw a wrench in the works.  
**PISCES (Feb. 19-March 20)** -- You aren't

sure you can believe what someone else tells you today, especially when it has to do with a plan you haven't yet revealed in full.  
**ARIES (March 21-April 19)** -- You're eager to improve several of your relationships at this time, and what you do and say today can surely start you off on the right foot.  
**TAURUS (April 20-May 20)** -- Your expectations may be disappointed during the first part of the day, but later on you'll have all that you want and more from a loved one.  
**GEMINI (May 21-June 20)** -- Your current strategy isn't likely to succeed -- and you know it. You can, however, adjust it to suit your current circumstances -- and prevail.  
**CANCER (June 21-July 22)** -- You may be distracted by what someone offers you today until it's time to buckle down and do what only you can do for those around you.
