HOROSCOPES by Stella Wilder

SATURDAY, AUGUST 25, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a mystery, as you seem to be so many things at once that it is virtually impossible to categorize you accurately or claim to know what makes you tick. Indeed, you thrive on keeping things very much to yourself, and you share your true self only with one or two very special people. You are keenly interested in achieving and maintaining harmony at home and abroad, and yet you will fight when your back is against the wall, or when someone close to you has been hurt in some way. You may not always lend support to another when support is needed, but this is because you are not seeing all sides of an issue -- when you do, you always come around.
SUNDAY, AUGUST 26
VIRGO (Aug. 23-Sept. 22) -- You know what is really going on today, even though others don't want to talk about it. No good can come of trying to avoid the unavoidable.
LIBRA (Sept. 23-Oct. 22) -- You suspect

that what someone is offering you is merely some kind of initial investment.
SCORPIO (Oct. 23-Nov. 21) -- It's time for you to put your money where your mouth is regarding something you and others have been discussing for quite some time.
SAGITTARIUS (Nov. 22-Dec. 21) -- A partner or someone else close to you has grown tired of hearing you say "no" again and again. Today you may want to say "yes" at last.
CAPRICORN (Dec. 22-Jan. 19) -- You can't expect your ducks to be in a row today if you refuse to recognize certain key factors that have proved paramount in the past.
AQUARIUS (Jan. 20-Feb. 18) -- What happens today comes as something of a surprise -- but once you have recovered your equilibrium, you can handle it quite well.
PISCES (Feb. 19-March 20) -- Others may suspect that what is going on beneath the surface is not at all what you have been advertising. Try to reveal the truth today.
ARIES (March 21-April 19) -- Simplicity

can be surprisingly tricky to day -- which may seem counterintuitive to you until you understand the steps that you must take.
TAURUS (April 20-May 20) -- Someone may be taking you for a fool, but you can respond in a way that corrects that error in perception. Don't let circumstances rule you.
GEMINI (May 21-June 20) -- You may fear that a storm is brewing, and yet you do nothing to protect yourself should it arrive in full force. It's time to take certain steps.
CANCER (June 21-July 22) -- That which transpires today will say a great deal about you -- and someone who has been considering you for a new job will have no more doubts.
LEO (July 23-Aug. 22) -- You may be frustrated at having to sit by and watch someone else make a mess out of something today that you can handle with ease.

SUNDAY, AUGUST 26, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you may not always know what is going on with the people around you, but you always know what is going on with you. You are ambitious and somewhat covetous -- indeed, you are easily jealous. You are the kind of person who too often sees the grass as greener on the other side of the fence, but what sets you apart from so many other people is your willingness to uproot yourself, jump the fence and settle in to make a home for yourself in a new, much "greener" place. You don't really care about criticism; you are confident that by living your life in your way you will attract perhaps more than your fair share, usually from those who cannot keep up with you.
MONDAY, AUGUST 27
VIRGO (Aug. 23-Sept. 22) -- You cannot expect someone else to read your mind -- even someone close to you. You must be willing to reveal certain secrets to day.
LIBRA (Sept. 23-Oct. 22) -- The informa-

tion you share with friends and/or co-workers is nothing new exactly, but it's likely to affect everyone in a new way.
SCORPIO (Oct. 23-Nov. 21) -- Things may slow down somewhat, but that will allow you to take a breath and assess your progress. Be honest with yourself.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be unaware of how your actions are affecting someone else -- and vice versa. It may be time to talk things through in detail.
CAPRICORN (Dec. 22-Jan. 19) -- You can get a great deal done today if you are willing to close yourself off for a time and focus squarely on the task at hand.
AQUARIUS (Jan. 20-Feb. 18) -- You can gain much, but you may be required to give something in the process. Only you can determine if you will ultimately come out ahead.
PISCES (Feb. 19-March 20) -- You mustn't keep silent about a certain issue that is becoming toxic within your key relationships. It's time to deal with it!

ARIES (March 21-April 19) -- You must stick to your guns today, and trust that your priorities are correctly in line. What you do right now will have a lasting effect.
TAURUS (April 20-March 20) -- You may find yourself engaged in some kind of scavenger hunt, and what you find is likely to be quite valuable -- at least to you.
GEMINI (May 21-June 20) -- A matter of honor cannot be ignored or avoided today. You must be willing to stand by what you believe in, even if it incurs a certain hardship.
CANCER (June 21-July 22) -- You've made a plan and you're fully prepared to implement it -- so what's the holdup? Someone may be standing in your way -- but who?
LEO (July 23-Aug. 22) -- You mustn't let anyone tell you that your contribution isn't valuable today. On the contrary, much is made possible because you're involved.
