

CRUISING

Continued from Page 1A
“Time flies when you’re having fun,” Rider, 62, said when Haberman, 67, realized

the length of their involvement.
One thing that is changing for this year’s 28th-annual Memory Cruise, set for Saturday, is the trophy category.

ries. Instead of the awards proclaiming “outstanding,” owners will win “coolest” for a category, such as “coolest make out car.”
Ryder said they’re changing up with categories a bit so that more cars are eligible to win.
Ryder said the years of experience that he and Haberman have put into the Memory Cruise make it easier for them to plan the event.
“We’ve got a schedule,” he said. “We know when the flyer needs to be done. We know when we need to order trophies.”
Ryder hopes to see this year’s turnout match that of other years with around 175 cars filling the park.
“We love to see all the hot rods come to town,” Haberman said. “We love all the people, we all speak the same language.”
Haberman said he first met Ryder when he’d come into Ryder’s NAPA Auto Parts store for parts for his cars.
“So he’s got a lot of my money since,” Haberman said with a laugh.

Adoptable Pet Of The Week

Banjo

My name is Banjo, and I am a 12-18 month old Border Collie Mix that was found as a stray. I'm playful, curious and love other dogs and kids. I tend to be a wanderer outdoors, so I need some positive reinforcement training (I'm a fast learner) and a safe, fenced yard. I am respectful to chickens and horses and love to go swimming. I have very good indoor manners, but because I have so much energy, I need to belong to an active family. I love riding in the back seat, but never the back of a pickup bed. I'm neutered, vaccinated and ready for my new home!
