## HOROSCOPES by Stella Wilder

**TUESDAY, AUGUST 28, 2018**  
**YOUR BIRTHDAY** by Stella Wilder

Born today, you are likely to come from out of nowhere and take the world by storm! You are never one to limit yourself to a single endeavor; you explore all options and go where your desires and interests may lead you -- and they are always changing! Add to this mix the fact that you are one of the luckiest individuals born under your sign, and the combination is sure to be a winning one. You are likely to enjoy remarkable success, even when you are just starting out on a new journey. This is not to suggest that bad things will never happen to you, but rather that good things will be available to you in abundance -- if you choose to take advantage of them.

**WEDNESDAY, AUGUST 29**

**VIRGO** (Aug. 23-Sept. 22) -- You must be willing to do more than you are asked to do, and none of it is likely to come as a surprise. You knew what you were in for today!  
**LIBRA** (Sept. 23-Oct. 22) -- Central issues must be given the attention they deserve

today. Don't hide from that which affects you directly; confront it!

**SCORPIO** (Oct. 23-Nov. 21) -- An issue is resolved today just as another comes to light and demands more from you than you might have expected. Be ready to jump in.

**SAGITTARIUS** (Nov. 22-Dec. 21) -- You will have to pay attention to where your money is coming from -- and where it is going. You can strike a bargain that others cannot.

**CAPRICORN** (Dec. 22-Jan. 19) -- You may feel that someone is threatening your independence today. The only way to be certain is to raise the issue directly.

**AQUARIUS** (Jan. 20-Feb. 18) -- Someone you've known for some time is likely to surprise you with a decision you've not been able to make -- yet. Your time will come!

**PISCES** (Feb. 19-March 20) -- The devil is in the details, and you cannot afford to overlook anything that could affect your progress at this time. Pay attention!  
**ARIES** (March 21-April 19) -- You are far

more equipped to deal with what arises today than anyone else in your circle. Others are counting on you to do what is right.

**TAURUS** (April 20-May 20) -- Just because you are giving something your best shot doesn't mean you are deserving of first prize. The issue is far more complicated than that!

**GEMINI** (May 21-June 20) -- You mustn't make the mistake of thinking that you are entitled to something that you must, in fact, earn. Be ready to put in a strong effort.

**CANCER** (June 21-July 22) -- You can provide just what someone else needs at this time -- but are you willing to do so? This is something you must determine for yourself.

**LEO** (July 23-Aug. 22) -- You may have to pull up short today when you realize that you're not fully prepared for what lies directly ahead. Take the time to work this out!
