HOROSCOPES by Stella Wilder

FRIDAY, SEPTEMBER 7, 2018

YOUR BIRTHDAY

Born today, you are one of the proudest individuals born under your sign, and you are not one to suffer fools gladly -- nor are you willing to let any offense or slight, whether real or imagined, go unanswered. You will always fight for your rights, and for the rights of the underdog. You are set in your ways and can be quite forceful when it comes to expressing your opinions. You know who you are and what you want. Nothing is going to change these basic tenets of your life -- even hard evidence or the collective will of the masses.

SATURDAY, SEPTEMBER 8

VIRGO (Aug. 23-Sept. 22) -- You may have to think twice today before you hit on just the right deal to offer someone who is waiting for you to join forces.

LIBRA (Sept. 23-Oct. 22) -- Arrangements may take a little more time than usual today, especially where certain friends are concerned. You want to try to please everyone.

SCORPIO (Oct. 23-Nov. 21)

You will have to pay close attention to what others are doing all around you today. A more heads-up approach serves you well in all things.

SAGITTARIUS (Nov. 22-Dec. 21) -- A greater sense of right and wrong can be applied to the issues that arise today. Now is no time for being non-committal.

CAPRICORN (Dec. 22-Jan. 19) -- You must maintain the most realistic attitude you can today; any attempt to see things in an "ethereal" manner can only fall short.

AQUARIUS (Jan. 20-Feb. 18) -- You're going to be in a position of some authority before the day is out, so be sure to think about what you want to say when you begin.

PISCES (Feb. 19-March 20) -- You mustn't be overconfident today -- and yet neither can you afford to let others sway you because you have doubts. Balance is key.

ARIES (March 21-April 19) -- What goes around comes around today, and you'll want to be sure that you are influencing others, rather than being influenced.

TAURUS (April 20-May 20)

Your thoughts are likely to turn to romance before the day is out, but you mustn't be tempted by someone who offers only a fleeting relationship.

GEMINI (May 21-June 20) -- You know what is possible, and you know what is not -- but others may be in something of a quandary about such things. You'll set them straight.

CANCER (June 21-July 22) -- You'll have to go faster than usual today, whether you are traveling or simply working from home. Keeping the pace up is essential.

LEO (July 23-Aug. 22) -- You can take a leaf out of someone else's book today and do something that is far more thoughtful than usual. This marks a change, perhaps.
