HOROSCOPES by Stella Wilder

THURSDAY, SEPTEMBER 13, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a visionary, able to turn fantasy into reality -- at least for yourself and those closest to you. Your dreams are so detailed and complete that, when shared, they seem just as real as anything that can be seen or touched. There are many ways in which you can take advantage of your abilities in the professional world; there's no reason why you cannot secure a long and healthy future for yourself and your family by doing what you do best: imagine, summon and create. You know how to attract a wide audience wherever you go with your vibrant and winning personality.
FRIDAY, SEPTEMBER 14
VIRGO (Aug. 23-Sept. 22) -- You and a friend have something up your collective sleeve, but a third party threatens to spoil the fun. Why not include him or her?
LIBRA (Sept. 23-Oct. 22) -- You feel prepared, but the opportunity to prove it has not yet arrived. It may today -- but success

depends as much on luck as readiness.
SCORPIO (Oct. 23-Nov. 21) -- Trust in charm today. Persuasion can do only so much and may threaten to escalate into outright conflict. Smile and be smooth.
SAGITTARIUS (Nov. 22-Dec. 21) -- Your search for something that has long been hidden from view is about to pay off -- but the "reveal" carries with it a big surprise.
CAPRICORN (Dec. 22-Jan. 19) -- You know just what you are doing, and today you'll have the opportunity to show it -- and a longtime critic is likely to become a new fan.
AQUARIUS (Jan. 20-Feb. 18) -- You can be a little more aggressive in expressing your desires today. Someone you know will respond well to a display of strength.
PISCES (Feb. 19-March 20) -- You're eager to know if your methods are effective, and today a situation arises that puts them -- and you -- to the test. You're ready.
ARIES (March 21-April 19) -- You can perform something of a miracle today as a

"trick shot" hits the mark. You are likely to be as surprised as anyone by your success.
TAURUS (April 20-May 20) -- Someone may ask you to "fake it" today, but you are confident that you can deliver the goods in an honest, authentic manner, given the chance.
GEMINI (May 21-June 20) -- Focus on what a certain someone is telling you today; it's not just information, but a kind of revelation with long-term ramifications.
CANCER (June 21-July 22) -- You may have to swing into action earlier than expected today, but you pride yourself on being "ready for anything" -- at least right now.
LEO (July 23-Aug. 22) -- It's a very good idea today to keep your complaining to a minimum -- even when you see that things are not the way they should be. Take the high road.
