### 385 - Union Co. Service Directory

**NOTICE: OREGON** Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

## HOROSCOPES by Stella Wilder

THURSDAY, SEPTEMBER 20, 2018

**YOUR BIRTHDAY** by Stella Wilder

Born today, you are likely to attract attention wherever you go, and you can change the dynamic of a room simply by walking into it. Turning heads is, to you, a kind of rare art form, and one at which you can confidently claim to be an expert. You know how to flirt, but you save your best efforts for situations that promise the biggest payoff-- not only for you, but for the object of your attention. You have a great many other talents as well, but the truth is that simply by being "you," you can have everything you want in life -- almost. You use charm and humor to your advantage, and anyone to whom you pay attention feels like the most important person in the room.

**FRIDAY, SEPTEMBER 21**  
**VIRGO** (Aug. 23-Sept. 22) -- You'll be asking a friend for something that only he or she can provide. A battle of the sexes is likely to erupt before the day is out.

**LIBRA** (Sept. 23-Oct. 22) -- You've got

several important things to get done today, and the order of events will figure prominently as you work to meet expectations.

**SCORPIO** (Oct. 23-Nov. 21) -- You are after information that no one around you is privy to -- and even if they were, few would be willing to give it to you free of charge.

**SAGITTARIUS** (Nov. 22-Dec. 21) -- You can get something done for you and someone else today, but you shouldn't have to put in double the effort in the process.

**CAPRICORN** (Dec. 22-Jan. 19) -- A question of ownership is likely to arise today, and you can provide a key piece of information. The mystery is solved before nightfall.

**AQUARIUS** (Jan. 20-Feb. 18) -- You're likely to uncover a few facts today that knock you off-balance for a time. Working against a rising trend will only prove futile.

**PISCES** (Feb. 19-March 20) -- Something you do today may have to be kept under wraps for a time -- but before the day is out a friend or two are likely to get wise to the truth.

**ARIES** (March 21-April 19) -- You're not likely to fall prey to a deception that takes a great many other people hostage. You can formulate a plan that guarantees success.

**TAURUS** (April 20-May 20) -- You know more than another about a certain key topic, but he or she knows more than you about something else entirely. It's a fair trade!

**GEMINI** (May 21-June 20) -- You must stick to the schedule religiously today. Others are depending on you; you must be in the right place at the right time.

**CANCER** (June 21-July 22) -- You're in a position that affords you a great deal of power, which, if used unwisely, can actually work against you. Protect your reputation.

**LEO** (July 23-Aug. 22) -- You may not have access to the tools you most need today. The problem is solved when you discover that you have misjudged the task before you.
