HOROSCOPES by Stella Wilder

SATURDAY, SEPTEMBER 22, 2018 YOUR BIRTHDAY by Stella Wilder

Born today, you have it in you to achieve great things, but you cannot simply go wherever the winds may blow. You must always have a plan and implement it with great care, lest you find yourself wandering aimlessly through life. Good things will always come your way if you build a life for yourself that is intentional and well-founded. It's not enough for you to build castles in the air; you must always begin with a solid footing and work your way up, structuring your life much the same way that an architect does a building. In this way you can have a profitable and pleasurable life that is sustainable and rewarding over the long haul. It is quite likely that creativity will always be the centerpiece of your professional life.

SUNDAY, SEPTEMBER 23

LIBRA (Sept. 23-Oct. 22) -- You'll receive an offer from a friend today that has you considering all the possible benefits -- if you can actually see it through. Do you dare?

SCORPIO (Oct. 23-Nov. 21) -- You may

have to hide the truth behind a veil of invention today until someone else gets with the program. Evening hours provide amusement.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your friends are there for you, but you must take care that you don't ask too much. Your needs are specific, as your demands must be.

CAPRICORN (Dec. 22-Jan. 19) -- You'll be changing your tune before the day is out, thanks to an old friend who reminds one and all of the way things used to be.

AQUARIUS (Jan. 20-Feb. 18) -- You may be asked to do something that you think you're not good at -- but once you get to it you'll realize that you've been kidding yourself.

PISCES (Feb. 19-March 20) -- You'll have many questions, but no one will be able to answer them to your satisfaction except yourself. Start at the beginning.

ARIES (March 21-April 19) -- You've done a good job recently, and there's no reason why you have to accept anyone's help -- unless it's friendship you want.

TAURUS (April 20-May 20) -- You're

moving in the right direction, but things don't quite add up for you right now. You may want to ask a companion for his or her opinion.

GEMINI (May 21-June 20) -- You can interpret things entirely yourself, or you can get the input of those you trust and put together a collaborative version of things.

CANCER (June 21-July 22) -- Repetition may seem tedious to you, but it gives you an opportunity to get things right that you would not otherwise. Avoid knee-jerk reactions.

LEO (July 23-Aug. 22) -- Your creativity inspires others, and under your tutelage someone is able to break through a barrier and accomplish something important.

VIRGO (Aug. 23-Sept. 22) -- Turnabout is fair play today, as always; you must be willing to accept what comes your way after you've been dishing it out.

SUNDAY, SEPTEMBER 23, 2018 YOUR BIRTHDAY by Stella Wilder

Born today, you are perhaps one of the most straightforward and transparent individuals born under your sign. You mean what you say, do what you want and mix with whom you please. You are eager to share your life with others, and you will surely find a way to do this either professionally or otherwise, in some creative way you will pursue an outlet that allows you to express yourself fully. Despite these seemingly lofty ambitions, you are quite down to earth and realistic; you never behave in a self-important manner and always treat others as you would be treated. Your ability to make others feel important is well known -- and much appreciated.

MONDAY, SEPTEMBER 24

LIBRA (Sept. 23-Oct. 22) -- Your attempt to get to the bottom of a certain mystery is likely to fall short -- and uncover yet another mystery that you and others must solve.

SCORPIO (Oct. 23-Nov. 21) -- As soon as you think something is a "sure thing" you're

kidding yourself. You know better; nothing is guaranteed today!

SAGITTARIUS (Nov. 22-Dec. 21) -- Getting your ducks in a row may prove trickier than you think. A friend steps in and provides you with a missing piece of information.

CAPRICORN (Dec. 22-Jan. 19) -- Someone you know behaves in a manner that confuses you at first, until you uncover his or her thinly veiled motive. Why not play along?

AQUARIUS (Jan. 20-Feb. 18) -- You can work a certain situation to your advantage today, surprising both your critics and your closest rivals with your flexibility.

PISCES (Feb. 19-March 20) -- You don't want to be at anyone's beck and call today, but the fact is that you cannot free yourself from one duty in particular.

ARIES (March 21-April 19) -- You'll have to learn the ropes very quickly today; be sure that you get help from someone who knows all the rules -- including the fine print.

TAURUS (April 20-May 20) -- A sticky

situation gives you a rare opportunity to try something you've long been considering but didn't have the guts to attempt.

GEMINI (May 21-June 20) -- Distractions abound. Seek a safe haven in the middle of an emotional storm. Someone makes demands that you don't think you can live up to.

CANCER (June 21-July 22) -- You may decide that a current project is no longer for you. Is it boredom that plagues you? There are ways to re-engage successfully.

LEO (July 23-Aug. 22) -- Someone else is likely to provide the outlines today, but it'll be up to you to fill in the details. Why not be imaginative and go wild?

VIRGO (Aug. 23-Sept. 22) -- You've lived through a similar experience to today's, and that past experience gives you a clue as to how you should react now.
