HOROSCOPES by Stella Wilder

MONDAY, SEPTEMBER 24, 2018
YOUR BIRTHDAY by Stella Wilder
Born today, you are a creative and highly sensitive individual with traits that enable you to do the most with your many talents. The fact that you feel things so fully and deeply informs virtually everything that you do, whether it be a personal endeavor or a professional assignment. To you, nothing is a mere "job," but rather a kind of life project in which you fully immerse yourself. It is a good thing that you are a fast study and always willing to learn from your mistakes! You enjoy challenging yourself, and just like any talented individual, you enjoy associating with those who are better, sharper and more capable than you.
TUESDAY, SEPTEMBER 25
LIBRA (Sept. 23-Oct. 22) -- Giving of yourself more freely today not only proves helpful to others, but it also allows you to discover something important about yourself!
SCORPIO (Oct. 23-Nov. 21) -- You're on

the verge of immersing yourself in something you have tried to avoid for a long time. What makes today different? Wait and see!
SAGITTARIUS (Nov. 22-Dec. 21) -- What you hear through the grapevine is likely to steer you on a different course today. More changes are coming, but are you ready? CAPRICORN (Dec. 22-Jan. 19) -- You'll want only the best around you today to help you put the finishing touches on a project that is near and dear to your heart. AQUARIUS (Jan. 20-Feb. 18) -- You may be trying to shirk your responsibilities at this time, but a certain someone isn't having it. You must pull your weight! PISCES (Feb. 19-March 20) -- Awareness of what is going on all around you is essential today. Don't think that you can move forward safely with blinders on! ARIES (March 21-April 19) -- You have more at stake right now than you might expect, as you will discover later in the day after hearing what happens to someone else. TAURUS (April 20-May 20) -- The line

between work and play is likely to be obscured today, as you find new enjoyment in something that brings you considerable profit.
GEMINI (May 21-June 20) -- It's time to clean up your act a bit in order to be presentable when things get formal late in the day. First impressions do count!
CANCER (June 21-July 22) -- Collaboration with another may prove more difficult than usual today, but you can overcome any serious differences in little time. LEO (July 23-Aug. 22) -- You may feel like a fish out of water today, as your circumstances are unsettled, and you are unable to stake a claim to anything of substance. VIRGO (Aug. 23-Sept. 22) -- Some may advise you to "quit while you're ahead," but you're going to want to go the distance, aren't you? A loved one cheers you on.
