50 YEARS AGO

from the Democrat-Herald
Oct. 29, 1968

The Anthony Lakes Ski School has announced that Philippe Henon from France will join their staff this season. Henon has taught two years previously in the United States, at Mount Snow, Vermont, and last season at Spout Springs, Oregon. He will join the Anthony Lakes Ski School as head racing coach and coordinator of their ski racing programs, both the Mitey Mites and for the Junior Racing Team. He also will be coaching the Eastern Oregon College Ski Team.

Baker made its strongest volleyball showing of the season Thursday against Ontario.

The Bulldogs clicked on all phases of their game to hand Ontario a 15-9, 15-10 Greater Oregon League loss in the Baker gym.

The win improved Baker's GOL record to 3-8. Ontario saw its hopes for a post season berth all but eliminated.

A local court administrator wants Baker City to budget more money to trim weeds, remove trash or handle other nuisances when the property owner refuses to do the work.

Baker Justice Court Administrator Michael Finney made the suggestion to the City Council Tuesday.

The Justice Court serves as the city's municipal court.

OBITUARIES

Richard S. Tylka

Baker City

Richard S. Tylka, 80, recently of Baker City, died on Oct. 24, 2018, of congestive heart failure at Bozeman, Montana.

Born and raised in Chicago, he met his wife, Rita, when they were freshmen in high school.

Married in 1958, Richard and Rita shared the joys — and sometimes sorrows — of life until Rita's death in 2015.

Richard so enjoyed his career as an accountant that, after retiring and moving to Baker City in 2000, he spent years as a volunteer in the Baker County AARP tax program. Because of his accounting experience, he was also a Red Cross volunteer who helped in the post-Katrina recovery.

Richard's interests included hunting, fishing, and watercolor painting. His passion, though, was geraniums.

Once, spotting an unusual variety while on vacation in Maine, he took a surreptitious cutting of the plant and propagated that geranium for years.

Richard will be long remembered for his dry sense of humor and his deadpan delivery. He could also wiggle his scalp and loved to entertain children in church with his wiggling when their parents were looking away. (For you parents who wondered why your children were suddenly laughing during Mass, now you know.)

Richard is survived by his son, Russell, and daughter-in-law, Nancy Tylka; his daughter, Barbara Tylka; his grandsons, Stephen (Chantal) and Matthew Tylka; his step-grandchildren, David Rentauskas, Jr. and Tara (Rentauskas) Schoen and family (husband Michael Schoen and children Courtney and Nikolaus); and his

"bonus" family, Katie and Chris Deardorff and their children, Gavin, Iylee, Garrett and Gus.

Allen McDaniel

Baker City, 1940-2018

Allen Wesley McDaniel, 78, of Baker City, died Sept. 11, 2018, at Grande Ronde Hospital in La Grande.

Interment was today at

Willamette National Cemetery in Portland, with a ceremony by the U.S. Army Honor Guard. Arrangements are being handled by Loveland Funeral Chapel of La Grande.

Allen was born on April 19, 1940, at Chico, California, to Joseph and Louise McDaniel (Sample). Allen was raised in Sterling City, California, where he graduated from the eighth grade. He graduated from Enterprise High School in Redding, California.

Allen joined the National Guard and later the U.S. Army, serving two tours of duty in Vietnam where he was affectionally known as "Sgt. Mac." During his teen years he worked with his dad in family-owned almond orchards in the Chico area. After nearly 12 years in the military he worked at various jobs in Oregon, including the railroad, bus driving and a bag-producing factory.

As a youth Allen was a member of the Boy Scouts of America. He enjoyed karaoke singing, was active for a time at the Senior Center and delivered Meals on Wheels. He enjoyed fishing, hunting and camping. Growing up in Stwerling City he enjoyed winter sledding, playing cards and table games with friends and family. His favorite trip was deep-sea fishing off Bodega Bay with his mother and stepfather. In the summer,

swimming in the icy Feather River was a favorite pastime.

Allen was married to Barbara Trump (deceased) and is survived by three adult children: John, Jodie Hinsley (Rick) of Umatilla, and Glenda McDaniel of La Grande. He is also survived by his sisters, Anna Belle McDaniel German (Raymon), and Jean McDaniel.

Allen was preceded in death by his sister, Josephine McDaniel; his brothers, Ernest Leggett Jr. and Ricky Leggett; and his mother and father.

Allen McDaniel

Shirley Keating

Formerly of Halfway, 1939-2018

Shirley Ann Keating, 79, formerly of Halfway, died on Oct. 23, 2018, at her home in Elgin with her family at her side.

Shirley was born in the Midwest on March 2, 1939, as Shirley Ann Wymer. She married John Keating. Together they started a life together and had three children: daughter Linda followed by son William, and then son John. The family made their home in Northern California.

The family relocated to Halfway in the early 1970s to find a new life. Linda, William, and John grew up and started families of their own. Shirley and John received many grandchildren and great-grandchildren who love them.

Shirley and John started a group home in Richland for young men in the 1980s. Many young men came to them and were sheltered. Many of the young men's lives were changed by the time they spent with Shirley. Two of the young men were with Shirley during her passing.

Shirley loved to fish. And oh, how could she fish. She outfished us all, her family said.

They are planning a celebration of life for Shirley on June 15, 2019, at Copperfield Park in Oxbow for the week. They're going to drop their lines off of the bridge in honor of Shirley, so mark your calendar.

Shirley Keating

Baker City Educators Agree...

IT'S TIME TO INVEST IN OUR KIDS.

Yes on Measure 1-88

A YES VOTE on MEASURE 1-88 will:

- Provide safe entries and make other safety improvements at all schools
- Increase energy efficiency at all schools
- Move 7th & 8th graders to the high school, giving them access to vocational programs and advanced classes
- Reduce overcrowding at elementary schools
