The Baker County Council on Alcoholism is launching an extensive Fall membership and information drive, according to its president, Boyd Sharp.

Charlie Simpson, the membership chairman, said 5,000 brochures, explaining the goals and purposes of the council, are being mailed out to every resident of Baker County. These brochures, also, provide an opportunity for people to become members of the Alcoholism Council.

**25 YEARS AGO**  
**from the Baker City Herald**  
**Nov. 1, 1993**

Most Baker City residents upset when they receive their property tax statements probably don't understand how the assessor's office functions and how the taxing system works.

Allen Phillips, Baker County assessor, said that even though the tax rate dropped this year because of Measure 5, property values continue to rise.

**10 YEARS AGO**  
**from the Baker City Herald**  
**Oct. 31, 2008**

Baker County and Baker City appear to be taking entirely different routes dealing with Idaho Power Company's plan to build a transmission line through the county.

The company plans to build a 500-kilovolt transmission line between Boardman and Murphy, Idaho. The towers will be between 140 and 180 feet tall, and between 1,200 and 1,500 feet apart.

**ONE YEAR AGO**  
**from the Baker City Herald**  
**Nov. 1, 2017**

After more than 20 hours of grinding — plus more time cutting and welding — Corrine Vegter has turned a 250-pound sheet of metal into the newest piece of public art in Baker City.

The sculpture, named Blazing Shadows, will be revealed during a ceremony at 3 p.m. Friday, Nov. 3, in Central Park. The park is just west of the Powder River, between Washington and Valley avenues.

## ARREST

*Continued from Page 1A*

District Attorney Matt Shirtcliff said Minner was arraigned Tuesday afternoon in Baker County Circuit Court on seven charges —

three counts of first-degree sex abuse and three counts of second-degree unlawful sexual penetration and one count of luring a minor.

The multiple counts for sex abuse and unlawful sexual penetration are based on the

allegation that there were multiple episodes of abuse, Shirtcliff said. He said he is researching the online sexual corruption of a child charge to see whether it is applicable in this case.

Both the sex abuse and

unlawful sexual penetration counts are Measure 11 crimes, which upon conviction require a mandatory minimum sentence of 75 months for each count.

Minner's bail was set at \$615,000.
