HOROSCOPES

by Stella Wilder

WEDNESDAY, NOVEMBER 7, 2018
YOUR BIRTHDAY by Stella Wilder

Born today, you may claim to be one type of person while living the life of another type altogether. Many may erroneously identify you as a Gemini native, so different are the facets of your personality from one another. You are, however, quite consistent in your inconsistency; those who know you well can anticipate with remarkable accuracy what you will do in almost any given situation, simply because they have taken the trouble to observe you carefully and get to know your habits and your peccadillos. You can be quite aloof at times, and you have a healthy estimation of your abilities.

THURSDAY, NOVEMBER 8
SCORPIO (Oct. 23-Nov. 21) -- You'll want to keep in touch with someone who is out on his or her own -- perhaps prematurely: Your support from afar accomplishes much.

SAGITTARIUS (Nov. 22-Dec. 21) -- The rules are in place to help you more than hinder you -- but this you already know, instinctively. There's no room for interpretation.

der you -- but this you already know, instinctively. There's no room for interpretation.

CAPRICORN (Dec. 22-Jan. 19) -- You can address central concerns today, but you may not be able to silence the rumbling that is going on among those on the periphery.

AQUARIUS (Jan. 20-Feb. 18) -- Things are likely to develop in an unlikely fashion today; the more you expect, the more you are likely to be surprised, all day long.

PISCES (Feb. 19-March 20) -- Team up with others who share your views and you can accomplish much at this time -- but it all depends on your ability to share the spotlight.

ARIES (March 21-April 19) -- Not all issues focus on you -- and today you're likely to discover that a more generous view of things benefits yourself as well.

TAURUS (April 20-May 20) -- You may find yourself at the center of something that is quite difficult to control. Instead of trying to do this, why not give it some room?

GEMINI (May 21-June 20) -- Things are

likely to be far more complicated than any "yes" or "no" answer can resolve. You'll want to dig deeper and apply your personal views.

CANCER (June 21-July 22) -- News you receive today from afar takes you by surprise. You'll want to rewind and examine past events from a different perspective, perhaps.

LEO (July 23-Aug. 22) -- The difference between fact and fiction is likely to be quite blurry today for a time. You can be confident that your views are valid.

VIRGO (Aug. 23-Sept. 22) -- An argument may arise today when you let others know just what you are thinking about a certain topic. Right now, no one is "right."

LIBRA (Sept. 23-Oct. 22) -- You can make a very smart business decision today that will benefit you at home as well. Family members lend you any support they can.

(NOTE: For the editorial questions, please
