YOUR BIRTHDAY by Stella Wilder
Born today, you approach everything with a level of curiosity that is quite rare; in addition, you crave "belonging" to the world at large. No matter where you go or whom you spend time with, you are determined to fit in. Of course, curiosity is not enough; you must also have the will and the wherewithal to seek out the knowledge you crave, to search for those hidden treasures that give you what you want - mentally, emotionally and even physically. You consider yourself a "citizen of the world!"
THURSDAY, NOVEMBER 15
SCORPIO (Oct. 23-Nov. 21) -- You're eager to learn lessons having to do with the things you are facing directly each day. A friend holds a clue.
SAGITTARIUS (Nov. 22-Dec. 21) -- Now is a good time to come clean about something that's been bothering you for some time. Urgency compels you to do what's right.

WEDNESDAY, NOVEMBER 14, 2018
You may have to adjust your schedule accordingly.
CANCER (June 21-July 22) -- You cannot avoid a slowdown today; but you can certainly avoid the kind of setback that comes from standing still when others keep moving.
LEO (July 23-Aug. 22) -- You can engage in valuable soul-searching today. Someone who knows you well confuses you with a surprise statement. Seek a second opinion.
VIRGO (Aug. 23-Sept. 22) -- You don't have to do everything all at once today -- especially since a partner is willing to relieve you of some of your overall burden.
LIBRA (Sept. 23-Oct. 22) -- Trust becomes a major issue today after someone makes an announcement that goes against much that you were led to expect. Changes are approaching.
