HOROSCOPES by Stella Wilder

THURSDAY, NOVEMBER 29, 2018
YOUR BIRTHDAY by Stella Wilder
 Born today, you give the appearance of being quite normal and levelheaded, when in fact you are quite extraordinary in many ways and far more unpredictable and unstable than many who are outwardly known for those traits. It's likely you will make a career for yourself out of those creative endeavors that give you the most satisfaction -- even if it means forging a path that no one has ever traveled before. You have a big heart and an understanding intellect, and the combination is sure to make you quite formidable in any artistic endeavors. You do have a practical side, however, that may prevent you from devoting yourself to the arts; you simply want to make more money than any such calling is likely to allow!

FRIDAY, NOVEMBER 30
SAGITTARIUS (Nov. 22-Dec. 21) -- You may have to make a request of a friend that seems to put you in a vulnerable spot, but the truth is very much the opposite.

CAPRICORN (Dec. 22-Jan. 19) -- Your ability to assess a situation quickly and accurately will come in handy all day long. Others flock to you for answers to tricky questions.

AQUARIUS (Jan. 20-Feb. 18) -- You may be required to add things up today without having all pertinent information. Your "guess" will be very close, in fact.

PISCES (Feb. 19-March 20) -- You may find yourself sitting pretty today, as far as a certain workplace situation goes. You are immune from certain ill trends.

ARIES (March 21-April 19) -- You'll be ready very soon to say enough is enough, but until then you'll want to do all you can to prevail in an impossible situation.

TAURUS (April 20-May 20) -- You are ready to rejoin the team today and put in a good deal of effort to see that victory is snatched from the jaws of defeat.

GEMINI (May 21-June 20) -- You may not understand specifically what someone is trying to tell you, but even a "gut feeling" can do you a world of good today.

CANCER (June 21-July 22) -- You are far better equipped than others to address a certain situation today. As they look to you for guidance, you can lead from the front.

LEO (July 23-Aug. 22) -- You will have a very good reason to jump into a certain situation today, even though you've done much to avoid just that in the recent past.

VIRGO (Aug. 23-Sept. 22) -- Someone may open your eyes to a possibility you have not recognized before. He or she has a good reason to join forces with you now.

LIBRA (Sept. 23-Oct. 22) -- Someone you know well is willing to go to bat for you today in a situation that puts you at a disadvantage. Be patient; wait for a sign.

SCORPIO (Oct. 23-Nov. 21) -- You receive a message from afar that contains information you can put to use immediately. Little needs to be interpreted at this time.
