## HOROSCOPES by Stella Wilder

THURSDAY, DECEMBER 20, 2018  
YOUR BIRTHDAY by Stella Wilder

Born today, you take your work very seriously, yet you perform in a way that displays the great joy you feel about getting paid to do what you do. Still, to say that you have a destiny is one thing; to fulfill it is something else -- and it is certainly not guaranteed that you will. You must recognize where you belong and pursue your goals with steadfast dedication. If you fail, you are likely to be disappointed, especially where your career is concerned. You don't want to be one of those individuals who looks back and regrets not following different paths!

FRIDAY, DECEMBER 21  
SAGITTARIUS (Nov. 22-Dec. 21) -- You're wondering how you're going to get out of your current pickle, but your native cleverness will see you through, surely.  
CAPRICORN (Dec. 22-Jan. 19) -- Someone who knows you better than you suppose is likely to step in and assume a role

you might never have expected him or her to take.

**AQUARIUS (Jan. 20-Feb. 18)** -- You may need an attitude adjustment today, and you know just whom to go to in order to get it. He or she will surely make the time.

**PISCES (Feb. 19-March 20)** -- You can keep someone you love out of trouble today. What you have to offer is recognized by someone in the shadows and is soon revealed.

**ARIES (March 21-April 19)** -- You can put things in a straightforward manner, or you can couch things in cryptic symbolism and hints. By all means, be direct today!

**TAURUS (April 20-May 20)** -- A reminder comes your way and has you wishing for the way things used to be -- until a good friend reminds you of the way things really were!

**GEMINI (May 21-June 20)** -- Something untoward happens, but not through any fault of yours. You can do much to undo the problems that result -- but perhaps not in one day.

**CANCER (June 21-July 22)** -- You may

have to pass up a golden opportunity today in order to help a friend take advantage of one that presents itself quite unexpectedly.

**LEO (July 23-Aug. 22)** -- It's a good day to clear the air, particularly with someone with whom you've quarreled over an issue that came between you recently.

**VIRGO (Aug. 23-Sept. 22)** -- What you do for another will be done for you in return -- and just in time, as it happens. This begins a positive trend for all concerned.

**LIBRA (Sept. 23-Oct. 22)** -- You want to be where the action is, but you know that you have too much on your plate today to abandon it in favor of fun and games.

**SCORPIO (Oct. 23-Nov. 21)** -- You may not want to take the advice that is offered you today, but you had better do so, considering who it is that is doing the advising!
