**NOTICE: OREGON**

Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

**HOROSCOPES** by Stella Wilder

FRIDAY, DECEMBER 21, 2018  
YOUR BIRTHDAY by Stella Wilder  
Born today, you have an undeniable power that allows you to make an impact wherever you go. You handle your business as if you are deserving of everything that is offered to you -- and you are confident that others see it that way too. You believe that perception is everything; you value nothing more than what others may think -- and this you try to shape in your own way often. You can believe in an illusion as faithfully as one relies on that which is evident -- and because you do, it becomes just as real to you as "reality" is to those around you. Some may claim that you live a life of illusion, but you don't know the meaning of the word.

SATURDAY, DECEMBER 22  
CAPRICORN (Dec. 22-Jan. 19) -- What you are waiting for may actually be right around the corner -- but are you ready to encounter it head-on? What do others say?

AQUARIUS (Jan. 20-Feb. 18) -- Things may not be moving fast enough today to satisfy your taste for adventure -- or even, perhaps, outright danger. An option is at hand.

PISCES (Feb. 19-March 20) -- You may have to suffer through one or two situations that are nearly intolerable to you today in order to get to the one you will welcome.

ARIES (March 21-April 19) -- You are likely to come up against the one person today who can match you -- intellectually and physically. You do have one advantage.

TAURUS (April 20-May 20) -- You may become more deeply involved in someone else's affairs than you had anticipated, but the results are nothing short of sublime.

GEMINI (May 21-June 20) -- You are able to see all sides of a key issue today, but it will prove quite difficult to persuade others that you know what to do.

CANCER (June 21-July 22) -- That which was temporary may well become permanent before this day is out. The steps you take as a result can teach you a great deal.

LEO (July 23-Aug. 22) -- What begins as nothing more than entertainment becomes very serious business in little time -- and others may have trouble keeping up with you.

VIRGO (Aug. 23-Sept. 22) -- You don't necessarily want to be noticed doing what you do today. You have one chance to be in the shadows, but the opportunity is fleeting.

LIBRA (Sept. 23-Oct. 22) -- A mistake made some time ago threatens to come back and cause you all kinds of trouble. A little quick thinking sets you free today.

SCORPIO (Oct. 23-Nov. 21) -- You may have to set aside a major endeavor today in order to address a more fleeting issue that you simply cannot overlook.

SAGITTARIUS (Nov. 22-Dec. 21) -- You hear from an old friend, who has troubling news and needs help. This is a challenge that you are uniquely qualified to address.
