## HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 26, 2018  
YOUR BIRTHDAY by Stella Wilder

Born today, you know how to take full advantage of an opportunity when it comes your way, but you may be frustrated by the fact that though you seem to know what must be done in any given situation, others do not -- and you cannot always do things on your own! You must be willing to teach others what they need to know in order to work in tandem with you. You can make the most of a situation that might, to some, seem to be anything but advantageous -- but that's when you shine most brightly. You are able to remain in high spirits when those around you are succumbing to negativity.

THURSDAY, DECEMBER 27  
CAPRICORN (Dec. 22-Jan. 19) -- You feel that you've been waiting long enough, and today you can take decisive action and have things work out to your advantage.

AQUARIUS (Jan. 20-Feb. 18) -- What you have in common with another is far more

important than any differences that may have come between you recently. Reach out!

PISCES (Feb. 19-March 20) -- It's time to talk openly and honestly about an issue that threatens to come between you and a close friend. What's really at play here?

ARIES (March 21-April 19) -- You may be trying to go too far too fast. Today, you'll have the opportunity to slow down and assess your situation.

TAURUS (April 20-May 20) -- A bad habit makes you look bad, but today it is making someone else look bad too. It's time to break it once and for all.

GEMINI (May 21-June 20) -- You can dispense with a certain artificial courtesy and address a key issue in a more honest fashion. Not everyone responds well.

CANCER (June 21-July 22) -- An uncomfortable situation arises today that only you know how to address in a productive manner. Others will surely do as you ask.

LEO (July 23-Aug. 22) -- Focus on the

things that are least apparent today. It will take a little practice, but it will enable you to anticipate events more accurately.

VIRGO (Aug. 23-Sept. 22) -- You have more room to maneuver today than usual -- but that doesn't mean that you can do anything with impunity. You must follow some rules!

LIBRA (Sept. 23-Oct. 22) -- Complications are inevitable today, but you can simplify certain issues by addressing them. The truth is your friend.

SCORPIO (Oct. 23-Nov. 21) -- You have trouble channeling your energy in a productive fashion early in the day, but later this problem is solved for you.

SAGITTARIUS (Nov. 22-Dec. 21) -- You want something from someone that is not usually available to you -- or anyone. He or she is likely to give you what you want.

## HOROSCOPES by Stella Wilder

THURSDAY, DECEMBER 27, 2018  
YOUR BIRTHDAY by Stella Wilder

Born today, you may not have to wait long before you enjoy your first taste of success, for your copious talents are likely to be on display at an early age. Someone is sure to open doors for you -- though you must expect that he or she will certainly want something in return. You must always weigh very carefully the cost of such reciprocal arrangements. There will come a time, surely, when you'll want to prove to yourself and others that you can make a go of it on your own -- and so you will, if you have taken the time and trouble to develop your talents to the fullest.

FRIDAY, DECEMBER 28  
CAPRICORN (Dec. 22-Jan. 19) -- A nice surprise comes your way today, but you may wonder just what's really going on. Something unusual makes you suspicious.

AQUARIUS (Jan. 20-Feb. 18) -- Your immediate prospects are improving, but

things may not be lining up quite to your liking. You can do much to further your agenda.

PISCES (Feb. 19-March 20) -- You're in no mood to be told that you are unable to do something; rather than argue, simply demonstrate that you are perfectly capable.

ARIES (March 21-April 19) -- A change of schedule has you wondering what's next. You can increase your own personal stability by focusing on what gives you comfort.

TAURUS (April 20-May 20) -- The first part of the day may be something of a scramble, but things slow down and assume a more manageable progression very soon.

GEMINI (May 21-June 20) -- Someone is not willing to grant you what you want unless you are willing, in return, to help him or her do something only you know how to do.

CANCER (June 21-July 22) -- You've been looking forward to this day for quite some time. Once things get started, you can let them progress automatically -- almost.

LEO (July 23-Aug. 22) -- Despite plans to

make an early start, you may be delayed for a time during morning hours. You can make up for lost time once an obstacle is overcome.

VIRGO (Aug. 23-Sept. 22) -- You may not know quite how to go about doing what is required of you today. There's nothing that says you cannot ask for explicit instructions.

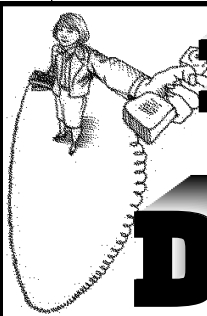

LIBRA (Sept. 23-Oct. 22) -- To get from where you are to where you want to be you must follow a route that exposes you to certain dangers. You're fully prepared.

SCORPIO (Oct. 23-Nov. 21) -- Stop trying to resist that which is, according to the experts, all but inevitable. You can work effectively with what comes your way.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can increase your chances of success today simply by following one or two of your own simple rules. Now's the time to experiment.
