HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to be quite
attractive to others, but you must never let
this become something that you rely on to
make gains in your professional life. It is hard
work that can give you all that you want in
life, and you must never forget it! You are
destined for a lucrative career, but in order to
have it you must keep all aspects of your life
in careful balance -- including love and rela-
tionships. You cannot sacrifice your heart to
the hungry jaws of financial success. You
must always weigh professional achievement
against personal contentment, and if the
scales are level, you are doing things right.
SATURDAY, DECEMBER 29
CAPRICORN (Dec. 22-Jan. 19) -- You are
determined to come out on top today, but a
rival has something to say about that, surely
You mustn't rely on any dirty tricks.
AQUARIUS (Jan. 20-Feb. 18) --
Remember, if it's not broken it doesn't need
fixing -- and any dabbling on your part can

only threaten to undo the good you recently
did.

PISCES (Feb. 19-March 20) -- You can do
a good turn for someone you hardly know,
and in return you'll get something you didn't
even know you needed or wanted.

ARIES (March 21-April 19) -- You're not
about to change places with anyone else
today; you like the way things are going, and
more improvements are on the way.

TAURUS (April 20-May 20) -- You may
come on a little too strong for some today, so
why not back off just a bit? You can afford to
take a more collaborative approach, surely.

GEMINI (May 21-June 20) -- You needn't
be in charge necessarily, but you certainly
want your ideas to be heard before it's too late
to put them into action.

CANCER (June 21-July 22) -- How you
behave in public today may be quite different
from the way you choose to behave in private.

You may have something to prove.
LEO (July 23-Aug. 22) -- The way you
approach a tricky situation impresses those

on the sidelines. You're likely to get support
from an unexpected source as a result.

VIRGO (Aug. 23-Sept. 22) -- You've been
more "hands off" than usual recently, and
you can see a difference in the way others are
doing their jobs. Is this a good thing?

LIBRA (Sept. 23-Oct. 22) -- A journey
you thought you'd be taking alone proves
more enjoyable with someone else along for
the ride. You know who your companion
should be!

SCORPIO (Oct. 23-Nov. 21) -- You can
use any down time to great advantage today.
Don't make the mistake of thinking that still-
ness has no value; use your brain!

SAGITTARIUS (Nov. 22-Dec. 21) --
Someone may be trying to change your mind
about something that is quite basic and fun-
damental to you. You're not about to budge!
