YOUR BIRTHDAY by Stella Wilder
 Born today, you know how to bring out the best in those around you just as you demand only the best of yourself as well. You are known for continually evolving and improving. Your competitors are always in for a surprise when they think they have you pinned down in some way, for you are never likely to remain unchanged for long; you will shift your intentions and alter your methods so that no one is able to get the better of you. While self-doubt is certainly not one of your weaknesses, its opposite certainly can be; when you become overconfident you can be careless and make the kinds of mistakes that can keep you from living up to your true potential.

SATURDAY, JANUARY 12
CAPRICORN (Dec. 22-Jan. 19) -- You want to be involved in everything that's going on today, as is your wont, but you're going to have to pick and choose, alas.

AQUARIUS (Jan. 20-Feb. 18) -- You may be inflicting damage without even being aware of it at this time. Try taking a more delicate approach and mind your manners!

PISCES (Feb. 19-March 20) -- You may be getting more and more upset about something over which you had no control. Instead, focus your energies on avoidance.

ARIES (March 21-April 19) -- You are feeling a bit trapped today, but the circumstances that brought this on were arranged by no one but yourself.

TAURUS (April 20-May 20) -- You can have a good deal of fun today and still tend to the business at hand. There are enough hours in the day for you to get it all done.

GEMINI (May 21-June 20) -- Make no attempt to hide your feelings today; you will benefit greatly at all times from the free and open exchange of thought and emotion.

CANCER (June 21-July 22) -- You may not find it easy to say what must be said today, but once it's out you'll feel an overwhelming sense of relief. Why hesitate?

LEO (July 23-Aug. 22) -- Your behavior may be the subject of some criticism, but the naysayers are not aware of the circumstances that are influencing you at this time.

VIRGO (Aug. 23-Sept. 22) -- You mustn't misinterpret the messages you are receiving today; they are meant to encourage you and lead you in the right direction!

LIBRA (Sept. 23-Oct. 22) -- You want to have a little fun today, and you know just whom to ask to join you. He or she brings something special to the table.

SCORPIO (Oct. 23-Nov. 21) -- You shouldn't have to sacrifice anything to score major gains in your favor almost all day long.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll discover that by sharing a burden with others you can make a number of friends as well. A new idea comes to you during the evening hours.
