HOROSCOPES

by Stella Wilder

FRIDAY, JANUARY 18, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are never more content
than when you are at the helm of something
that is large and important. You enjoy hold-
ing your fate and the fates of others in the
palm of your hand. Your remarkable success
is likely due in large part to your ability to
accept what you do not know as part of who
you are. This allows you, in turn, to surround
yourself with people who can help you in
your efforts by making up for what you lack.
You understand that the greatest of life's suc-
cesses are the result of teamwork. You, how-
ever, must always be the coach!
SATURDAY, JANUARY 19
CAPRICORN (Dec. 22-Jan. 19) -- You
can expect to expend more effort today doing
something that was quite routine only yester-
day. Something has changed; find out what!
AQUARIUS (Jan. 20-Feb. 18) -- You may
have to put yourself out there today in a way
that you would not have preferred if things
had shaped up differently.

PISCES (Feb. 19-March 20) -- You may be
caught in the middle of something that has
you feeling both good and bad simultane-
ously. There is just enough room to maneu-
ver.
ARIES (March 21-April 19) -- You're not
likely to have to work around the clock today,
but you may have to put in a little extra effort
as the day winds down.
TAURUS (April 20-May 20) -- You are
expecting to learn the results of a recent effort
very soon -- but until then you'll want to
think ahead and consider all options.
GEMINI (May 21-June 20) -- Someone
brings to your attention today a fact or set of
facts that challenges the way you have been
thinking about a certain key issue.
CANCER (June 21-July 22) -- You cannot
ignore the evidence that is presented to you
today; you must at least acknowledge that it
puts things in a new perspective.
LEO (July 23-Aug. 22) -- You can come up
with something today that others are going to
want to adopt as their own -- but you can and

must maintain bragging rights.
VIRGO (Aug. 23-Sept. 22) -- A new situ-
ation arises today that requires you to think
of routine things in new ways. This in itself
can result in tremendous personal growth.
LIBRA (Sept. 23-Oct. 22) -- You are feel-
ing confident and capable today -- which is
good, considering that a rival is feeling much
the same and is eager to challenge you.
SCORPIO (Oct. 23-Nov. 21) -- You don't
have to wait for permission or approval
today; you can move ahead with your plans,
confident that the powers that be will support
you.
SAGITTARIUS (Nov. 22-Dec. 21) -- You
are not in the position you had hoped to be in
yet. Today, you can make a move that prom-
ises to improve your situation permanently.
