## HOROSCOPES by Stella Wilder

MONDAY, JANUARY 28, 2019

### YOUR BIRTHDAY by Stella Wilder

Born today, you are a devilishly clever individual with a great deal of instinct combined with intellect. You are no stranger to drama; you can handle it well when it is created by others, and when necessary you can create it on your own -- and you're never afraid to do or say something that somehow "crosses the line" if it means you're going to score measurable gains as a result. Others may consider you a bit too aggressive at times, but you mean no harm, certainly; if you do offend, you are quick to make amends. There are times when you may cross someone who is unwilling to forgive you, and you simply have to accept that and move on.

TUESDAY, JANUARY 29

**AQUARIUS (Jan. 20-Feb. 18)** -- You can do much to assist others today. Putting your best foot forward is merely a matter of doing what comes naturally right now.

**PISCES (Feb. 19-March 20)** -- Your ability

to anticipate certain events will be remarked upon by others who credit you with having a "sixth sense." Put it on display!

**ARIES (March 21-April 19)** -- Now is a good time for you to experiment with something that you feel will improve your standing among professional peers.

**TAURUS (April 20-May 20)** -- Others are likely to be impressed with your ability to conjure workable ideas out of thin air. You know it takes more than that!

**GEMINI (May 21-June 20)** -- It's important for you to keep things on an even keel throughout the day. Others may lose their balance, but you can enjoy smooth sailing.

**CANCER (June 21-July 22)** -- You may have to make certain concessions today in order to keep your hands on something you love calling your own.

**LEO (July 23-Aug. 22)** -- Certain issues may not be as complex as you fear today. You're able to make headway even as others are met with formidable obstacles.

**VIRGO (Aug. 23-Sept. 22)** -- You can achieve something important today before anyone even knows what's going on. You can stay ahead of the game for quite some time.

**LIBRA (Sept. 23-Oct. 22)** -- Someone may object to the way you do certain things, but now is no time to try to change tactics. Make your apologies and stay the course.

**SCORPIO (Oct. 23-Nov. 21)** -- You won't have anyone telling you what to do today, and that can prove problematic when dealing with someone "in charge."

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You'll have much to think about today as you go about your business -- and you may be left alone by friends for the time being.

**CAPRICORN (Dec. 22-Jan. 19)** -- What goes around comes around -- or so they say. You can expect the adage to play out today, as you navigate a tricky personal situation.
