YOUR BIRTHDAY by Stella Wilder

Born today, you always maintain a very realistic outlook, and you are also quite honest about your own limitations. You never regret passing up an opportunity if you feel it is not for you. You do not believe in disappointment; you rarely if ever wish things were different from the way they are, nor are you the kind to wish ill of anyone else. You are open and honest, and you are widely respected for being so. You will never lie merely to make yourself look better or to keep yourself out of trouble.

SATURDAY, FEBRUARY 2

AQUARIUS (Jan. 20-Feb. 18) -- What was once forgotten is remembered today, and as a result you can progress much more quickly than you had originally anticipated.

PISCES (Feb. 19-March 20) -- Your understanding of certain past events is going to inform your approach to new projects and endeavors -- some of which begin today.

ARIES (March 21-April 19) -- It may take you time today to get to the bottom of something that has been holding you and others back for far too long.

TAURUS (April 20-May 20) -- The work you do today can score many points and also win you the admiration of someone whom you have long admired. It's a win-win!

GEMINI (May 21-June 20) -- No matter how you approach a certain problem today, you are likely to be required to look more deeply into your own past than you are wont to do.

CANCER (June 21-July 22) -- You can make a fast start today, but you mustn't expect to keep up the pace all day long. Toward evening, you'll have reason to slow down.

LEO (July 23-Aug. 22) -- Others may be clever and witty, but you'll approach a problem with practical awareness and good old-fashioned know-how. This works!

VIRGO (Aug. 23-Sept. 22) -- You may be getting frustrated by someone else's ignorance of a situation that may soon get out of hand. You know you need some help!

LIBRA (Sept. 23-Oct. 22) -- By the time you really get going today, it's likely that a rival will already be well on the way to a personal milestone. You have to catch up.

SCORPIO (Oct. 23-Nov. 21) -- Things may get bumpy for a while today, but all you can do is go along for the ride. Getting upset can only make things worse.

SAGITTARIUS (Nov. 22-Dec. 21) -- A personal fight becomes more intense today, even as you discover the way you can win in the end. Victory is still far off.

CAPRICORN (Dec. 22-Jan. 19) -- You are struggling with an issue that you recognize as being as serious as it is -- and you may be the only one. It's time to educate others.
