YOUR BIRTHDAY by Stella Wilder

Born today, you are likely never to be overlooked once you burst on the scene -- and you will certainly do so in no uncertain terms from a remarkably early age. Still, you must never do anything about which you have any doubts. Follow this instinct, and the world can be your oyster! You are continually honing and improving yourself in order to increase the odds of success and interact more productively with all manner of other people. You are creative but realistic, and you are one of those who can turn art into quite a successful business.

SUNDAY, FEBRUARY 3

AQUARIUS (Jan. 20-Feb. 18) -- Working for the greater good gives you great satisfaction today -- especially if you are able to work with others and maximize results.

PISCES (Feb. 19-March 20) -- You may have to look certain dangers squarely in the face today before you are able to progress.

You're equipped to prevail.

ARIES (March 21-April 19) -- Risks are all around you today, but you can minimize those that are closest to you by sending someone better prepared into the fray.

TAURUS (April 20-May 20) -- It's impossible for you to win when you are not in the fight; you must be willing to engage directly in order to effect any real change.

GEMINI (May 21-June 20) -- You know what's best for you, but it's not likely to be the same thing that's best for someone close to you. You must agree to disagree.

CANCER (June 21-July 22) -- Now is a good time for you to reflect on what you have and what you need; focusing on what you don't need is a waste of brainpower right now.

LEO (July 23-Aug. 22) -- Leave careless behavior to others today; you must look closely at all that is in front of you in order to assess risks ahead of time.

VIRGO (Aug. 23-Sept. 22) -- You are looking at success and failure through another's eyes and not your own. When you adopt your own perspective, all looks much brighter.

LIBRA (Sept. 23-Oct. 22) -- Someone will likely do his or her best to keep you from getting to the finish line first. You have a trick up your sleeve -- and it's legal!

SCORPIO (Oct. 23-Nov. 21) -- The earlier you start today the earlier you'll finish -- unless you choose to take on a new project that "falls in your lap" unexpectedly.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are at the threshold of something quite exciting, and all you have to do is take one or two steps forward to get the ball rolling.

CAPRICORN (Dec. 22-Jan. 19) -- You mustn't keep everything to yourself today; sharing information with others can do you a world of good. Your timing is perfect.
