YOUR BIRTHDAY by Stella Wilder

Born today, you are not one to heed warnings given to you by those who are habitual naysayers; you will almost always do the very thing that they tell you not to do! You will, however, listen to those who share with you a certain adventurous spirit; those who are willing to give things a try despite any potential for failure are those with whom you are more than willing to do business on a daily basis. You want to surround yourself with people like you and tend to ignore others. This can be a strength and a weakness, however.

THURSDAY, FEBRUARY 7

AQUARIUS (Jan. 20-Feb. 18) -- If it's practice you need, it's practice you can surely have -- and it can be more fun and productive if you take a friend along.

PISCES (Feb. 19-March 20) -- You're trying to put a plan in motion without having taken care of one of the most basic preparatory steps. Go back and see what you missed.

ARIES (March 21-April 19) -- You can maintain control of your own activities in your own surroundings, but once you step into "foreign" territory, much is going to change.

TAURUS (April 20-May 20) -- Your instincts can keep you on the straight and narrow today, preventing you from being influenced negatively by a certain someone.

GEMINI (May 21-June 20) -- You may find yourself in a position that allows you to assert yourself in a new way. This can be a very productive moment of discovery for you.

CANCER (June 21-July 22) -- You may choose to do things on a larger scale than you have in the past. You'll attract some criticism, but most people will be supportive.

LEO (July 23-Aug. 22) -- You may be feeling an unusual pull in a new direction today. One friend gives you a warning; another encourages you to branch out.

VIRGO (Aug. 23-Sept. 22) -- Pressure mounts, but you are in a position of authority and can do and say what you must in order to maintain your current situation.

LIBRA (Sept. 23-Oct. 22) -- Your mood swings needn't get in your way today; you should be able to proceed according to plan even while you surprise yourself.

SCORPIO (Oct. 23-Nov. 21) -- You are ready for the attention you're likely to get, but even you will have had enough by day's end. You'll know how to escape it!

SAGITTARIUS (Nov. 22-Dec. 21) -- You may be confused by someone else's unpredictable behavior. That which is most unexpected can prove most valuable to you in the end.

CAPRICORN (Dec. 22-Jan. 19) -- You must be willing to keep a secret today if you want to avoid damaging your reputation in any way. Someone balks at a suggestion.
