HOROSCOPES by Stella Wilder
FRIDAY, FEBRUARY 15, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you can be rather distant and even secretive, except perhaps around those with whom you have developed close and trusting relationships over time. You are not always especially close to family members, either, though it is likely that you will maintain close ties to one relative in particular. You are often mistaken for a Gemini or even a Cancer, perhaps, because of the seeming duality in your nature and your ability to hide away from the world at large. You do have two rather vivid sides to your personality that you must always strive to keep in careful balance; when they are out of whack in some way, work and relationships can become quite difficult.
SATURDAY, FEBRUARY 16
AQUARIUS (Jan. 20-Feb. 18) -- You must do all you can to prevent any prejudicial thought or action today -- and this extends to those around you as well as yourself.
PISCES (Feb. 19-March 20) -- You may not understand the justification someone else is giving for his or her strange behavior today; you may want to investigate further.
ARIES (March 21-April 19) -- You can proceed according to plan today, but you can expect someone to do all he or she can to slow you down. This should have little impact.
TAURUS (April 20-May 20) -- You may want to withdraw a previous statement and let new evidence speak for you. The time has come for others to pay the piper -- not you.
GEMINI (May 21-June 20) -- There may be something else going on than that to which you have contributed. How this affects you will be clear at the end of business today.
CANCER (June 21-July 22) -- Something you were discounting is likely to prove imminent today. You may have to maneuver much more actively than expected.
LEO (July 23-Aug. 22) -- You've unearthed a few more possible clues to a stubborn mystery, and today others are likely to contribute to the most likely solution.
VIRGO (Aug. 23-Sept. 22) -- You and a teammate are unwilling to take something any further today -- and you know exactly why. When asked, tell the truth!
LIBRA (Sept. 23-Oct. 22) -- Others will try to look beneath the surface to get the information they think they need -- but you can provide it without further delay.
SCORPIO (Oct. 23-Nov. 21) -- You can learn a great deal today if you are willing to try another's shoes on for size. The feeling you get, inside and out, is unique!
SAGITTARIUS (Nov. 22-Dec. 21) -- You're after something far more "special" today than the kind of routine reward you're used to; you know how you can get your hands on it!
CAPRICORN (Dec. 22-Jan. 19) -- There are no guarantees today, but you will want to proceed regardless. Confidence is high, and you are able to learn on the job.
