HOROSCOPES by Stella Wilder

SATURDAY, FEBRUARY 16, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you aren't the kind to be fooled by the people around you, for you are so adept at sizing them up that you always seem to know what they are likely to do. This "sixth sense" is sure to serve you well in both your personal life and professional affairs. You are always nimble and flexible, able to change course quickly when a situation requires it, and yet at the same time you can dedicate yourself to a single line of endeavor over the long haul. You cannot abide deception of any kind, and you have been known to sever ties with those who have tried to put one over on you.

SUNDAY, FEBRUARY 17
AQUARIUS (Jan. 20-Feb. 18) -- You may have to react very quickly today to a surprise decision made by someone who is normally in charge. Can you reverse this call?
PISCES (Feb. 19-March 20) -- The "what" and the "how" may be quite clear today, but

the "when" and the "why" may be hard to discern. The "who" can provide missing info.
ARIES (March 21-April 19) -- You must be sure to read the fine print and any other warnings made available to you before you jump into a quickly developing situation.
TAURUS (April 20-May 20) -- It will be up to you to listen to reason today when someone tries to warn you of a coming danger; others may not pay attention at all!
GEMINI (May 21-June 20) -- You can avoid the "formal" today and get a great deal done with a more casual, easygoing approach. You won't have to hide the truth, surely.
CANCER (June 21-July 22) -- You may be acting in a way that confuses those who are regulars in your inner circle. Explanations, while not required, can be helpful.
LEO (July 23-Aug. 22) -- You may feel that you are ready to make an announcement that others have been waiting for, but you must take care that you are in no way premature.
VIRGO (Aug. 23-Sept. 22) -- That which

was easy yesterday is likely to prove unusually difficult today -- and vice versa. Don't lose track of who is doing what!
LIBRA (Sept. 23-Oct. 22) -- This is a good day to forge a partnership with someone of whom you have been rather suspicious in the past. Such issues amount to nothing.
SCORPIO (Oct. 23-Nov. 21) -- You've been trying to keep things aboveboard at all times, but someone close to you has been working against you. You must find out why.
SAGITTARIUS (Nov. 22-Dec. 21) -- For quite a while you've been dancing around an issue that has been a big headache for your allies. Today you must jump in!
CAPRICORN (Dec. 22-Jan. 19) -- The difference between what might be and what already is can be made much clearer today -- and you'll be the one to get the message across.

SUNDAY, FEBRUARY 17, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are not one of those who can be easily pigeonholed, for you have many diverse interests. Still, you know how to dedicate yourself to a task, especially when others are depending on you, and you know how to deliver. You are not one to rest on your laurels, and no matter what kind of success you may enjoy in life, you are determined to do better with each passing day.

MONDAY, FEBRUARY 18
AQUARIUS (Jan. 20-Feb. 18) -- Communication may not be as easy today as you had hoped, in part because another party is unwilling to meet you halfway.
PISCES (Feb. 19-March 20) -- You are curious about what the consequences of an unexpected behavior may be today. Why not give it a go and let the chips fall where they may?
ARIES (March 21-April 19) -- Answers

come quickly today, provided you ask the right questions. Someone you know well may surprise you with a random realization.
TAURUS (April 20-May 20) -- You must spend some time and energy guarding your privacy today. You may want to limit your online presence for a time -- as a precaution.
GEMINI (May 21-June 20) -- You shouldn't have to worry about any unusual pressures today; things are likely to progress very much according to plan, night and day.
CANCER (June 21-July 22) -- You may find yourself worrying about something that was mentioned in passing by someone who isn't aware of the current dilemma you are in.
LEO (July 23-Aug. 22) -- You can be part of a new community today, if you are willing to overlook certain things about your new friends that rub you the wrong way.
VIRGO (Aug. 23-Sept. 22) -- Right or wrong, you're going to want to stick to your guns today and see how things pan out. It's no

time to vacillate for any reason.
LIBRA (Sept. 23-Oct. 22) -- You may feel that you are almost ready to take on a new responsibility. Take care, however, as others may not be ready to rely on you yet.
SCORPIO (Oct. 23-Nov. 21) -- You can be quite inspirational today and convince others that they are far more capable than they might otherwise think.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're facing something of a flawed process that is likely to prove very difficult. You may have to go through it, however.
CAPRICORN (Dec. 22-Jan. 19) -- You are solid on the issues, but your emotions may get the better of you today and make it difficult for others to be persuaded.
