## HOROSCOPES

by Stella Wilder

THURSDAY, FEBRUARY 28, 2019

**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are something of a fire-brand, and good luck to anyone who tries to keep up with you. You are always moving forward, and when you do look backward it is almost always to make a connection between what has gone before and what you are planning for the future. You are never one to rest on your laurels, and you insist on bettering yourself at every turn. You are fast-paced and quite flexible in your habits and manners; you never let yourself become locked in to one mode of behavior, for that way disaster lies.

**FRIDAY, MARCH 1**  
**PISCES (Feb. 19-March 20)** -- It may seem to some that you know more than you do, but what you do know can surely give you the advantage in one or two key endeavors today.

**ARIES (March 21-April 19)** -- An issue of health or safety cannot be ignored today. Someone in your care may require more from you than usual. Efficiency is tested.

**TAURUS (April 20-May 20)** -- You may have to work more quickly on something for which you thought you had more time. Today, developments come fast and often.

**GEMINI (May 21-June 20)** -- You may have to keep a secret from a loved one today if only to prevent him or her from being taken back by the seriousness of the issue.

**CANCER (June 21-July 22)** -- You may have to search for something you thought would be immediately available to you today. Patience is more than a virtue -- it's a necessity.

**LEO (July 23-Aug. 22)** -- You may not feel confident about what lies ahead, but if you approach it with a trusted friend you'll almost certainly prevail.

**VIRGO (Aug. 23-Sept. 22)** -- You're eager to leave a certain problem behind you for good, but in order to do so you may have to address it head-on before this day is out.

**LIBRA (Sept. 23-Oct. 22)** -- You may have to go through a rather complicated process in order to extricate yourself from a situation that has run its course. Get it done!

**SCORPIO (Oct. 23-Nov. 21)** -- You can do more than one thing at a time today, surely -- but at one point you may have to slow your progress to ensure increased safety.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You and a friend may be at odds over an issue that is not what it seems to be. By day's end, one of you can clear things up for the other.

**CAPRICORN (Dec. 22-Jan. 19)** -- Someone is trying to steer you away from a perceived danger, but you will have none of it. Take care that you're not just being stubborn.

**AQUARIUS (Jan. 20-Feb. 18)** -- An issue thought hidden is actually out in the open -- and this proves a stroke of good luck for you and those working with you right now.

**NOTICE: OREGON** Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: [www.lcb.state.or.us](http://www.lcb.state.or.us) to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.
