## HOROSCOPES by Stella Wilder

THURSDAY, MARCH 14, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are determined to be known for your greatness in one field or another, but the choice of that field and the accomplishments you score as a result may not be entirely up to you. Indeed, you are sure to demonstrate remarkable talents when you are very young, at a time when others have a responsibility to make the kinds of choices for you that will shape the overall course of your life. Your willingness to commit to those choices will allow you to excel, however -- even at a very young age you will score the kinds of success that you can build upon and secure a bright and rewarding future.

FRIDAY, MARCH 15  
**PISCES (Feb. 19-March 20)** -- You may not understand why you cannot make things "fit" the way you think they are supposed to, but perhaps you're missing an essential step.  
**ARIES (March 21-April 19)** -- A decision you make today is related to one made a few days ago -- but at that time you weren't certain as to what the upshot would be.

**TAURUS (April 20-May 20)** -- You have the opportunity to tend to a certain personal issue, but not the inclination. What is it you're afraid of? This must be handled!  
**GEMINI (May 21-June 20)** -- You're fighting a battle that only you can fight, but others know it and are willing to give you the support you require when the time comes.  
**CANCER (June 21-July 22)** -- You are seeing things in a way that allows you to come up with unexpected solutions to problems everyone is facing. What makes you so special?  
**LEO (July 23-Aug. 22)** -- You may not be able to take part in something that you have been looking forward to for some time, but another option lifts your spirits.  
**VIRGO (Aug 23-Sept. 22)** -- You can bet that others will turn to you for answers -- provided the right questions are being asked. You can make sure that happens!  
**LIBRA (Sept. 23-Oct. 22)** -- You may not be doing what others expect you to do, but what you are doing is likely to be of far greater value in the long run.

**SCORPIO (Oct. 23-Nov. 21)** -- Try not to alter your plans as you put them into motion today; it's important that everyone see that you are firm and confident.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Someone has you off balance, but you can recover your equilibrium and give him or her a little of the same before the day is out.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You realize that someone is giving you a dose of your own medicine, but is that really worth a major conflict? You can let it slide.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Restrictions are few today, but you will want to keep your own desires in check at this time, lest you endanger yourself by overindulging.
