HOROSCOPES by Stella Wilder

FRIDAY, MARCH 15, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you may be accused by some of being a "Pollyanna," and while you try to see the best in other people and in the events of the world, you are in no way unrealistic; you understand that the struggle between good and evil is constantly waged, and that you as a born optimist are caught in the middle. Your ability to find the silver lining in almost any cloud can work to your advantage when the going gets tough and others give up the fight. You are no quitter; indeed, your positive outlook enables you to keep going, even when it seems there is little or nothing for which to strive.
 SATURDAY, MARCH 16
PISCES (Feb. 19-March 20) -- A competition heats up between you and a friend; are you both able to keep things light and fun, or will things get too serious too soon?
ARIES (March 21-April 19) -- You reveal something that takes everyone by surprise.

Evening brings an opportunity to do something in a new way -- with a friend, perhaps.
TAURUS (April 20-May 20) -- You're in no mood for criticism today, so you may want to steer clear of those who do things in dramatically different ways.
GEMINI (May 21-June 20) -- You can keep your mood swings from getting the better of you today, but it will take some good, old-fashioned self-control. Don't be erratic!
CANCER (June 21-July 22) -- News from someone far from home puts you in a pensive mood. You're considering making a change that others may not support.
LEO (July 23-Aug. 22) -- You enjoy a limited success early in the day, which inspires you to up the ante and reach for something higher and even more memorable.
VIRGO (Aug. 23-Sept. 22) -- You will want to pay attention to how other people do the things you are trying to do. What do they know that you don't? Ask questions!
LIBRA (Sept. 23-Oct. 22) -- You can sur-

prise someone in charge by seizing the initiative and doing something that was thought to be impossible. This is only the beginning!
SCORPIO (Oct. 23-Nov. 21) -- They say that opposites attract, and today what happens to you may prove the adage. A certain someone may be quite irresistible!
SAGITTARIUS (Nov. 22-Dec. 21) -- You should enjoy more freedom than usual today, but take care that you don't try doing things that everyone agrees should not be done.
CAPRICORN (Dec. 22-Jan. 19) -- An interruption gives you a moment to think about what you're doing today -- and why. This is a chance to make an important change.
AQUARIUS (Jan. 20-Feb. 18) -- Focus on the big picture today, and let the details work themselves out for now. You're after greater comprehension of a key situation.
