**HOROSCOPES** by Stella Wilder

FRIDAY, MARCH 22, 2019  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are likely to know just what you are meant to do from a very early age. This gift of self-awareness comes with a price, however: You must always be willing to work ever harder to achieve the goals that your destiny lays before you and resist the temptation to rest on your laurels. Fortunately, you are not in any way resistant to hard work, nor to the kinds of experimentation that success is likely to require of you.

SATURDAY, MARCH 23  
**ARIES (March 21-April 19)** -- You are eager to try something different today, and your colleagues are more than willing to experiment with you. Everyone can be satisfied with the results.  
**TAURUS (April 20-May 20)** -- You may have to dodge a serious threat today, even while you attempt to smooth things over with a friend who is currently "on the outs."  
**GEMINI (May 21-June 20)** -- A surprising discovery today gives you the confidence you need to make a difficult decision very soon. A family member keeps tabs on you.  
**CANCER (June 21-July 22)** -- Are you sure that you're really following the rules the way they are truly intended? Or are you trying to get away with something "sneaky"?  
**LEO (July 23-Aug. 22)** -- Someone close to you will let you know when it's time to move in a different direction. Until then, you'll want to follow your current course.  
**VIRGO (Aug. 23-Sept. 22)** -- You are ready to think more liberally about a certain issue that, in the past, had you thinking in very strict terms. This is a positive step!  
**LIBRA (Sept. 23-Oct. 22)** -- You're so concerned about tomorrow that you're not paying enough attention to what is happening around you today. Get your head in the game!  
**SCORPIO (Oct. 23-Nov. 21)** -- You're going to have to wait and see what someone else does before you are free to react and take appropriate steps in response. Be patient!

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You're ready to take the first big step down a new and perhaps rather frightening path. A friend by your side eases tensions.  
**CAPRICORN (Dec. 22-Jan. 19)** -- Humor is your friend today, but take care that you don't do anything that might be misinterpreted as "minimizing" someone else's concerns.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You can apply many past lessons to a current difficulty. The truth will come out -- but are you ready to do the right thing when that happens?  
**PISCES (Feb. 19-March 20)** -- You may be accused of taking something "too far" today, but there are those who will stand by your side no matter how serious the charges.
