HOROSCOPES by Stella Wilder

FRIDAY, MARCH 29, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you enjoy long odds, and you will always try your best to do the very thing that others claim cannot be done -- regardless of how trivial or important the endeavor, or how harmless or potentially hazardous it may be. You are never afraid of forging ahead, even in situations that prove to be too daunting for those around you. You believe that forward motion is a kind of existential cure-all, and that only by moving ahead at all times are you going to keep failure and unhappiness at bay. You have an adventurous spirit, and you're more than willing to try anything at least once -- or almost anything.

SATURDAY, MARCH 30

ARIES (March 21-April 19) -- It's time to let logic prevail. You can work out a tricky situation by applying a little brainpower and maintaining a clear train of thought.

TAURUS (April 20-May 20) -- You may want to impose a little more order today on a situation that has never been as simple to navigate as you have wanted it to be.

GEMINI (May 21-June 20) -- A sudden development puts you in a little danger, but you can save yourself with a little quick thinking and some fancy footwork of a kind.

CANCER (June 21-July 22) -- Now is no time for falsehood. The situation you are in calls for honesty, even though you have a few difficult things to say.

LEO (July 23-Aug. 22) -- The more you try to cover your tracks, the more likely you will be to expose yourself to someone who is eager to find out what you are up to.

VIRGO (Aug. 23-Sept. 22) -- You're eager to see a certain situation come to a positive conclusion -- but the course you are following right now doesn't promise that.

LIBRA (Sept. 23-Oct. 22) -- Now is not the time to break with protocol. Doing things the way they've been done for a long time will serve you quite well today.

SCORPIO (Oct. 23-Nov. 21) -- You are confident that someone else knows what you need. He or she is waiting for a sign, however, and you aren't ready to give it.

SAGITTARIUS (Nov. 22-Dec. 21) -- You'll want to do something that shows a friend or loved one just how much you really care. Use your imagination and think big.

CAPRICORN (Dec. 22-Jan. 19) -- You're eager to give something a try, but first you have to get past someone who is standing in your way -- albeit for a very good reason.

AQUARIUS (Jan. 20-Feb. 18) -- You're sending signals, but a loved one doesn't seem to be picking them up. You may want to try something a little more straightforward.

PISCES (Feb. 19-March 20) -- You may feel as though you are losing control over key situations. A friend's dilemma points out the seriousness of your position.
