HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder

Born today, you're a lively individual with tremendous vision and verve, and anything you set your mind to trying can and will be tried -- and if you succeed at it, all the better! You have been endowed with many talents, but not necessarily the self-knowledge required to use them to the fullest at every opportunity. You are somewhat mercurial, and certainly inconsistent; even those who know you best cannot say with any degree of certainty what you might do next. When backed into a corner, you can put up quite a fight.

THURSDAY, APRIL 4

ARIES (March 21-April 19)

-- A moment of recognition proves most important to you today -- and to that certain someone who is in your sights. Something's going on.

TAURUS (April 20-May 20)

-- Your manner of dealing with the things others don't want to deal with will likely be in the spot-

light on at least two occasions today. Be ready.

GEMINI (May 21-June 20)

-- Someone is eager to follow in your footsteps, but you may have reason to warn him or her against following too closely -- at least for now.

CANCER (June 21-July 22)

-- Your creativity is likely to be in the spotlight today. Do what you know how to do, and if asked to do something else, you can politely decline.

LEO (July 23-Aug. 22)

-- Something real is likely to have quite an impact on you today, especially if you are the only one to realize just how important it may be.

VIRGO (Aug. 23-Sept. 22)

-- You can get far with someone who is usually very hard to work with, but take care that you don't give away too many secrets too soon.

LIBRA (Sept. 23-Oct. 22)

-- You're likely to hit upon an idea that can serve you quite well, albeit not quite in the way that you had anticipated. See where this goes.

SCORPIO (Oct. 23-Nov. 21)

-- You may find yourself in the spotlight today quite by

accident, but you can focus the attention of your audience on something important.

SAGITTARIUS (Nov. 22-Dec. 21)

-- You may want to alert someone to a coming danger without knowing quite how to do it. It's important to be as specific as possible.

CAPRICORN (Dec. 22-Jan. 19)

-- Money issues are on your mind today. If you think a certain something isn't going to matter, you're mistaken. Take it all in and react.

AQUARIUS (Jan. 20-Feb. 18)

-- You will want to think twice when someone says he or she doesn't mind. You suspect something serious lies beneath the surface; dig it up!

PISCES (Feb. 19-March 20)

-- You may not have the precision that some think is required today, but you certainly have the spark that others may not have.
