HOROSCOPES by Stella Wilder

THURSDAY, APRIL 11, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are not the most patient person in the world, and even those born under this or other recognizably impatient signs credit you with being perhaps the most impatient person they have ever known. You are capable of waiting when required to do so, but you're not about to waste time doing nothing while waiting for something to happen. With those who know you best, you can be rather vocal in your reactions to delays, and this is no doubt how you won your reputation for being impatient.
FRIDAY, APRIL 12
ARIES (March 21-April 19) -- You can expect to face a few critics today after doing something that is, by some, considered a no-no. Things could be changing, however.
TAURUS (April 20-May 20) -- You may have to turn down a job offer today or tomorrow simply because of the changes it would require you to make. Stay the course.
GEMINI (May 21-June 20) -- You have what it takes to get the job done, but you may have to clear some activities with someone who enjoys being in charge too much.
CANCER (June 21-July 22) -- Fitting everything into the time you have available today may be like putting together an intricate puzzle; you must apply serious brainpower.
LEO (July 23-Aug. 22) -- You can give someone exactly what he or she wants or needs today without doing anything to threaten what you have going on behind the scenes.
VIRGO (Aug. 23-Sept. 22) -- You may have to take over from someone today because of a scheduling snafu that favors you and puts him or her at a disadvantage.
LIBRA (Sept. 23-Oct. 22) -- You may feel the need to explain yourself when all is said and done, but for now you need't give a thought to why you must do a certain thing.
SCORPIO (Oct. 23-Nov. 21) -- You may have to fight mental or emotional fatigue today as you move against an obstacle that threatens to derail an important endeavor.
SAGITTARIUS (Nov. 22-Dec. 21) -- You've been before where you are today, and that's going to give you a distinct advantage over the competition. You can win!
CAPRICORN (Dec. 22-Jan. 19) -- What you expect is not likely to come to pass today, and what you least expect may well be fully evolved by day's end. Get used to surprises.
AQUARIUS (Jan. 20-Feb. 18) -- The behavior of a loved one concerns you today, but there is little you can do yet to keep disaster at bay. The time will come.
PISCES (Feb. 19-March 20) -- Now is no time to throw caution to the wind. Indeed, you must be more careful than usual as you and a friend face a certain challenge.
