YOUR BIRTHDAY by Stella Wilder

Born today, you are born to be in charge, but you will have to get used to working for others when you are young, if only to acquire the skills you need and reach your true potential when you are finally able to take control of your own endeavors. For you, there is actually very little separation between the personal and the professional, for you try to organize your personal life in a professional manner, and invest in your professional activities in a way that is purely personal. It is extremely important for you to strike a balance between your head and your heart, for if one exerts a stronger influence than the other, you are likely to find success slipping through your fingers.

THURSDAY, APRIL 25

TAURUS (April 20-May 20)

-- You may have to step in for another today to make sure that things get done not only on time, but according to the rules as well. Be efficient.

GEMINI (May 21-June 20)

-- Any

CANCER (June 21-July 22)

-- You may find yourself with more work to do than planned. You must do more than prioritize if you're going to avoid feeling overwhelmed.

LEO (July 23-Aug. 22)

-- Someone who knows you well can certainly be trusted to remain true to you and your cause today-- even though you may experience a setback of sorts.

VIRGO (Aug. 23-Sept. 22)

-- You are in need of more information than is available to you right now, and there's only so much you can do to get it. You must be patient.

LIBRA (Sept. 23-Oct. 22)

-- You are eager to make a good first impression, but take care that you don't overdo it where charm is concerned. You mustn't seem insincere.

SCORPIO (Oct. 23-Nov. 21)

-- You may have to compromise today, but that doesn't mean you have to abandon your principles altogether. You know what others will accept.

SAGITTARIUS (Nov. 22-Dec. 21)

-- You may find yourself in a situation that challenges you in a way you've not been challenged before. You may have to break your own rules.

CAPRICORN (Dec. 22-Jan. 19)

-- You know just where your sweet spot is, and you can arrange to have every ball come to you so that you can hit it out of the park.

AQUARIUS (Jan. 20-Feb. 18)

-- Someone may be speaking to you in a way that is vaguely familiar but difficult to decipher. By day's end you'll know what the message is.

PISCES (Feb. 19-March 20)

-- You know more about what's going on than most, but they're not likely to listen to you when you offer your opinions until it's almost too late.

ARIES (March 21-April 19)

-- You'll have to do a great deal more than you are doing in order to please someone whose standards are almost unrealistic. But you can do it.
