NOTICE: OREGON Landscape Contractors Law (ORS 671) requires all businesses that advertise and perform landscape contracting services be licensed with the Landscape Contractors Board. This 4-digit number allows a consumer to ensure that the business is actively licensed and has a bond insurance and a qualified individual contractor who has fulfilled the testing and experience requirements for licensure. For your protection call 503-967-6291 or visit our website: www.lcb.state.or.us to check the license status before contracting with the business. Persons doing landscape maintenance do not require a landscaping license.

HOROSCOPES by Stella Wilder

WEDNESDAY, MAY 1, 2019
YOUR BIRTHDAY by Stella Wilder
 Born today, you are one of those rare individuals who can do great things without seeming to be great yourself at all -- and that's just the way you like it. You don't want to be the sort of person who attracts all kinds of attention, and fame is something that does not interest you at all. Still, you may not be able to avoid it, for once people know what you've done and what you're capable of, they're sure to pay attention -- and even seek you out to do more and more and more. You will always cherish your privacy, and you must do all you can to ensure that you have somewhere to go to escape the hustle and bustle of a life in the spotlight.
THURSDAY, MAY 2
TAURUS (April 20-May 20) -- Watching someone you love do something you admire gives you great pleasure today. Get up close and personal; you can learn how to do it.
GEMINI (May 21-June 20) -- You must

take care that you don't collide with someone who is working against you at this time. Keep your eyes open, and be ready to maneuver.
CANCER (June 21-July 22) -- You may be able to hang back in the shadows and observe someone doing something you've long wanted to do. Your turn will come very soon.
LEO (July 23-Aug. 22) -- You may stumble upon a bargain today; but can you really take advantage of it? You may have to decline for now and hope for a second chance.
VIRGO (Aug. 23-Sept. 22) -- You are eager to demonstrate your prowess at home, but something at work keeps you distracted and unable to do so -- for now.
LIBRA (Sept. 23-Oct. 22) -- You can do much in support of those who are in a less advantageous position than you are. What happens late in the day may change things.
SCORPIO (Oct. 23-Nov. 21) -- You must be ready for anything today, and someone you know well is doing things in such a way that you cannot anticipate what's coming.

SAGITTARIUS (Nov. 22-Dec. 21) -- You know how to express yourself quite well, and today provides you with a golden opportunity. What you say may be long remembered.
CAPRICORN (Dec. 22-Jan. 19) -- You have a way of doing things that will attract attention when you least expect it -- but now that you know, you can prepare yourself.
AQUARIUS (Jan. 20-Feb. 18) -- You are likely to receive information through channels that cannot be fully trusted. Put what you hear to the test to determine the truth.
PISCES (Feb. 19-March 20) -- What you discover today is likely to prove your assertion that facts and the truth, while closely related, are certainly not the same thing.
ARIES (March 21-April 19) -- There seems to be something rather magical about your approach and the results you get today. Someone is eager to meet you.
