YOUR BIRTHDAY by Stella Wilder
Born today, you are rather unassuming in your personal life, alone at home with your own private interests and your family and friends. Indeed, there often seems to be nothing to set you apart at all from the crowd. Once you walk through that door, however, everything changes, and you become a charismatic, magnetic, forceful, influential and charming individual who can mix and mingle with any and all types. You may, by some, be mistaken for a Gemini native, so distinct are these two seemingly separate sides of your nature, but the truth is they are very much a single part of you, joined by a self-awareness and a desire to do what is right and make the lives of those around you better.

FRIDAY, MAY 3
TAURUS (April 20-May 20) -- You've been endowed with much that you can make good use of today, but someone may still stand between you and your heart's desire.
GEMINI (May 21-June 20) -- You must follow certain steps today if you're going to have what you want and need by day's end. Now is not the time for improvisation.

CANCER (June 21-July 22) -- While Gemini natives are bound to do what must be done -- and in certain ways -- you may well feel free today to do things any way you see fit.

LEO (July 23-Aug. 22) -- You mustn't let yourself be distracted today, even though there are those who are engaged in activities that you dearly love. Concentrate!

VIRGO (Aug. 23-Sept. 22) -- You're waiting for the end -- or the beginning -- and today you'll see just what waits for you around the corner. Messages received are mixed.

LIBRA (Sept. 23-Oct. 22) -- You're likely to receive glowing reviews for a performance you've long wanted to give, but someone may yet prove highly critical of you.

SCORPIO (Oct. 23-Nov. 21) -- You are ready to promote your own agenda in new ways. Someone close to you inspires you to try something you'd never before have tried.

SAGITTARIUS (Nov. 22-Dec. 21) -- There's no time like the present, especially when it comes to taking care of business that you don't think you'll really enjoy.

CAPRICORN (Dec. 22-Jan. 19) -- You must remain steady, solid and down to earth today, even while those around you are heaping praise upon you. You know the real you.

AQUARIUS (Jan. 20-Feb. 18) -- Take care that you don't let someone get the better of you by playing to a certain weakness. You must remain strong in all you do and say.

PISCES (Feb. 19-March 20) -- You are feeling closer to someone today who, in the past, has kept him- or herself at a safe distance for a very good reason. Talk openly.

ARIES (March 21-April 19) -- You're likely to encounter someone who is not able to do what he or she promises, so be on your guard. This charlatan is not to be indulged.
