YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most honest and upstanding individuals born under your sign, and you carry yourself as one who is confident and capable and always on top of even the most complex of situations. The truth is, of course, that you harbor certain insecurities and doubts that you always deal with, especially when you are in preparation for a new project. You have a great many skills, and your knowledge is wide-ranging, and yet you still want to be sure you are well-versed and fully prepared for whatever is coming your way. You are perhaps at your best when you are helping others, for this gives you a very good reason to pay your own doubts no mind and rise above any insecurities you may otherwise have. You are willing to do what you must to finish a job on time and under budget.

TUESDAY, MAY 7

TAURUS (April 20-May 20) -- What you devise today can work for you for quite some time -- provided someone doesn't co-opt

your idea and run with it first.

GEMINI (May 21-June 20) -- The certainty you are after may not be afforded you today, but if you keep at it, you can rest knowing that what you want is on its way.

CANCER (June 21-July 22) -- You and a partner can make a game out of something that is usually nothing but grueling hard work. Use your imaginations -- together.

LEO (July 23-Aug. 22) -- You are likely to receive assurances from loved ones today, but you may still doubt that things will develop exactly as you have planned.

VIRGO (Aug. 23-Sept. 22) -- Be realistic, and don't let anyone tell you that what you know is false or somehow misleading. You have the facts and can use them well.

LIBRA (Sept. 23-Oct. 22) -- Do not try to conceal the truth from friend or foe today -- for either can respond in a way that undoes you in the end. Stay on the up and up.

SCORPIO (Oct. 23-Nov. 21) -- You must be willing to share most of what comes your way with those who have helped you get where you are. Some can be spirited away.

SAGITTARIUS (Nov. 22-Dec. 21) -- Everyone around you today seems to know something you don't, or perhaps they're just willing to face what you refuse to acknowledge.

CAPRICORN (Dec. 22-Jan. 19) -- What you are doing and where you are going may not be widely known yet. You may well be the talk of the town very soon, however.

AQUARIUS (Jan. 20-Feb. 18) -- Your competitive spirit kicks into high gear today. Take care that you don't do anything to turn an ally against you at the last minute.

PISCES (Feb. 19-March 20) -- Negligence is your most dangerous enemy today; pay attention to all that goes on around you, and you'll surely acquit yourself.

ARIES (March 21-April 19) -- You want to explore what happens when you mix and mingle with people, and the opportunity to do so arises today. Don't say no.
