HOROSCOPES by Stella Wilder

THURSDAY, MAY 9, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you are simple, direct, down to
earth and very much a product of your time
and environment. Indeed, you are one of
those individuals for whom home, and all it
means and entails, is the most important
thing. Family and friends from your child-
hood will almost always make up your inner
circle, and though you can get along very well
with co-workers and new friends, they may
never feel as though they are truly "in" with
you and yours. You can be reserved on the
one hand, and rather outrageous on the
other; the determining factor, of course, is
opportunity, for you will behave in ways that
are most appropriate to the opportunities that
you face at any given moment. Something of
a chameleon, you may at times be mistaken
for a Gemini native.

FRIDAY, MAY 10

TAURUS (April 20-May 20) -- Check
behind doors and under the bed -- and in
case that doesn't work for you, you must be
prepared to search in more unusual places.

GEMINI (May 21-June 20) -- You can

unlock a very tricky mystery today, but the
solution is not yet at hand. Someone comes to
you with a proposition you must consider.

CANCER (June 21-July 22) -- You may be
surprised to learn just how much you will
have to pay to secure something you thought
was yours by rights.

LEO (July 23-Aug. 22) -- You must be will-
ing to speak up if your rights have been
restricted in any way. Now's the time to make
an issue out of what's bothering you.

VIRGO (Aug. 23-Sept. 22) -- A more
streamlined, economical approach is advised
today. The odds are in your favor as long as
you do what you know how to do.

LIBRA (Sept. 23-Oct. 22) -- You may want
to turn a dream into reality today, but this
will require doing things in a way that may,
ultimately, prove impossible.

SCORPIO (Oct. 23-Nov. 21) -- The prob-
lem you are currently facing is much less
urgent than you may think -- and someone
you're dealing with is much more transpar-
ent.

SAGITTARIUS (Nov. 22-Dec. 21) --

Someone far from home reaches out to you
today. This is an overture that you've long
been waiting for, perhaps; don't ignore it!

AQUARIUS (Jan. 20-Feb. 18) -- You are
ready to take a certain relationship just a little
further, but you don't want to put all your
eggs in one basket just yet.

PISCES (Feb. 19-March 20) -- You may
be misinterpreting the signs that the stars
have erected along your current route. You
must be willing to make a change.

ARIES (March 21-April 19) -- Look
beneath the surface today to discover some-
thing that can set you on a path that leads
directly to yet another discovery.
