HOROSCOPES by Stella Wilder

THURSDAY, MAY 23, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are a stylish and distinctive individual who cuts a dashing figure when on the move and pursuing your goals. You give off a kind of bravado that is attractive to everyone you encounter, and because you seem to be unafraid of anything, you are likely to be the beneficiary of all manner of opportunities. You always want to be the best that you can be, and that means being open to any and all opportunities for improvement and advancement. You are always quick to size up a situation and quick to determine a subsequent plan of action.
FRIDAY, MAY 24
GEMINI (May 21-June 20) -- You are rolling full steam toward your intended destination, but you may encounter an obstacle when you least expect it. You must think fast.
CANCER (June 21-July 22) -- The possible and the probable are both attractive to you today, but they aren't necessarily compat-

ible. You must make an educated decision.
LEO (July 23-Aug. 22) -- You want something more from a routine endeavor than what you've come to expect. A close friend has just the thing if you're willing to experiment.
VIRGO (Aug. 23-Sept. 22) -- This interesting day sees you called in more than one direction at once. How you navigate conflicts will make all the difference.
LIBRA (Sept. 23-Oct. 22) -- You are not looking forward to doing something you know you must do, but in the end you'll realize that your fears were entirely misplaced.
SCORPIO (Oct. 23-Nov. 21) -- Now is the time for you to do the thing you've been avoiding for so long. You're able to accomplish more than expected if you get it done.
SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't let your insecurities hold you back, and you certainly mustn't let them hold someone else back! It's time to let go.
CAPRICORN (Dec. 22-Jan. 19) -- The

only way you'll get a friend or loved one to stop reminding you to do something is by doing it, and today is the perfect day for that.
AQUARIUS (Jan. 20-Feb. 18) -- The questions you ask today can surely be answered, but not by the experts. Get in touch with someone you trust.
PISCES (Feb. 19-March 20) -- You can accomplish something quite important today, and you and others can take pride in the fact that you stuck with it so long.
ARIES (March 21-April 19) -- What you start isn't likely to be stoppable today. Be ready to go the distance, and don't let a well-meaning friend stand in your way.
TAURUS (April 20-May 20) -- You may not end the day very near where you started it, but it's all part of a plan -- and you must be willing to relinquish control just a bit.
