HOROSCOPES by Stella Wilder

FRIDAY, MAY 24, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are a robust, energetic individual who likes nothing more than being on the move, searching out that next opportunity and putting yourself where the action is. You are good-natured but have a habit of responding to challenge by becoming overly defensive, even aggressively pugnacious. This, you will learn with experience, is hardly necessary. An honest talk and a willingness to engage on equal footing are far more beneficial to you than any kind of fight. You can be quite competitive, and you are sometimes quite a sore loser, which makes other people not want to compete with you too often.
SATURDAY, MAY 25
GEMINI (May 21-June 20) -- You're likely to be surprised by the decisions another makes today, as you are far more closely linked than you had originally thought.
CANCER (June 21-July 22) -- A figure from your past makes a surprise appearance

today, but only for a short time. It's enough, however, to give you pause.
LEO (July 23-Aug. 22) -- You may have to struggle some to get a thing done on time today. You may not receive the technical support you are after as you face difficulties.
VIRGO (Aug. 23-Sept. 22) -- You mustn't let things get out of hand today, especially where domestic and professional issues intersect. Focus on who needs what.
LIBRA (Sept. 23-Oct. 22) -- You may not have quite as much fun as you had hoped today, but what you get done will be remembered as something quite unusual and unexpected.
SCORPIO (Oct. 23-Nov. 21) -- You may have to take some time today to get the lay of the land, and don't forget to see what makes your superiors tick. Get some answers.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're willing to give up something to gain something more today, but take care that you don't let slip a key piece of secret information.
CAPRICORN (Dec. 22-Jan. 19) -- You're

eager to know what someone is up to, and the only way you can find out is to join him or her in a task that presents a few dangers.
AQUARIUS (Jan. 20-Feb. 18) -- You know what's expected of you today, but you're not sure where to draw the line regarding what you will and will not do. Think about it.
PISCES (Feb. 19-March 20) -- You may find yourself going here and there for all kinds of reasons today, when all you want to do is spend time with a certain loved one.
ARIES (March 21-April 19) -- You're following your own rules at this time, and no one seems to mind. Now is not the day for revealing all of your secrets at once.
TAURUS (April 20-May 20) -- You can solve a mystery today, but doing so won't give you the advantage over anyone else. You must wrestle with your conscience.
