HOROSCOPES

WEDNESDAY, MAY 29, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most promising individuals born under your sign, endowed with tremendous physical gifts, a personality to match and the willingness and ability to apply your many talents to the problems you encounter in a forward-thinking, creative and always positive manner. You thrive on involvement; you always want to be where the action is, and you can become very disheartened if you are always kept in the background. You want to be the cause of things, and the first line of defense when things get tough; you don't want to be merely reactive, but proactive -- the kind of person who can anticipate events, act quickly and keep things moving forward at an always accelerating pace. You are ambitious and strong-willed; you are used to getting your way and reaching your goals.

THURSDAY, MAY 30

GEMINI (May 21-June 20) -- You may have to do a little more than usual today to impress upon someone your firm ideas of

right and wrong. Now is no time to compromise.

CANCER (June 21-July 22) -- You may encounter some unexpected difficulties today when doing something you had thought would be merely routine. Someone is responsible.

LEO (July 23-Aug. 22) -- You'll learn something each and every time you are able to solve a problem today. Soon you'll be ready to tackle almost anything that arises.

VIRGO (Aug. 23-Sept. 22) -- Do what comes naturally today and you'll be successful, surely. Step outside of your comfort zone at your own risk, as danger will result.

LIBRA (Sept. 23-Oct. 22) -- You must be willing to take full responsibility today for what happens when you are in charge, even though the position is not an official one.

SCORPIO (Oct. 23-Nov. 21) -- If someone else isn't willing to step up and do what has to be done today, it's going to fall to you, and you must prepare accordingly.

SAGITTARIUS (Nov. 22-Dec. 21) -- A new idea is brought to the fore today, but you

suspect it is too soon to embrace it fully. Your position is hard to support.

CAPRICORN (Dec. 22-Jan. 19) -- Others are more than willing to give you the reins today, especially when the path ahead reveals some hidden dangers. Stay in control.

AQUARIUS (Jan. 20-Feb. 18) -- You cannot expect others to respect your boundaries if you're not willing or able to respect theirs. You must be fair to everyone around you.

PISCES (Feb. 19-March 20) -- Whether or not you witness them, today's events are sure to affect you to some degree. You may not know just how for some time, however.

ARIES (March 21-April 19) -- You may suspect that something has gone missing when in fact it is right where it belongs -- and has been all along. What's the confusion?

TAURUS (April 20-May 20) -- You may attract more attention than expected today when you do something that no one thought could be done -- especially by you.
