HOROSCOPES by Stella Wilder

FRIDAY, MAY 31, 2019

YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to be both child and adult in one, and the combination is a good one in that it will allow you to remain active, involved and successful throughout a very long and adventurous life. You approach things with the seriousness and wisdom of one who has been around the block several times, and yet you tackle everything with the enthusiasm and excitement of a child. Others love to watch you in action. You are always eager to accept a challenge, but those that are most important to you - and fun, too - are the challenges that you set for yourself. You will surely come to a point in your life in which competition with others means little, but proving yourself to yourself will be your life's work.

SATURDAY, JUNE 1

GEMINI (May 21-June 20) -- You will find something almost irresistibly attractive today, but is it really for you? You must ask yourself this question many times.

CANCER (June 21-July 22)

-- You are not ready to jump into something new without any kind of protection. You want the full experience, but you want to be safe, surely!

LEO (July 23-Aug. 22) -- Self-assessment at this time may be unusually harsh, but you're tired of the same old things. It's a good day to branch out in a new direction.

VIRGO (Aug. 23-Sept. 22) -- Your focus has been too narrow recently; make the effort today to broaden your view and take in more of what lies before you at this time.

LIBRA (Sept. 23-Oct. 22) -- Something is proceeding at a faster pace than expected, and you may have trouble controlling things from your end. Solicit help.

SCORPIO (Oct. 23-Nov. 21) -- You are in for a little embarrassment today, as someone brings up a past episode that is not your proudest moment. This won't last long.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have something of a struggle today when it comes to proving that your answers to a few key questions are, indeed, correct.

CAPRICORN (Dec. 22-Jan. 19)

-- You were expecting everything to go smoothly today, but alas that is not likely to be the case. You can muddle through, however.

AQUARIUS (Jan. 20-Feb. 18) -- Caution is advised when dealing with certain family members who, perhaps understanding, have their own issues to deal with.

PISCES (Feb. 19-March 20) -- How you deal with those who do not want to deal with you will make all the difference today. You can't take such things personally.

ARIES (March 21-April 19) -- You fear that you'll have to travel long distances to get what you want, but in fact you're likely to find it right by your side today.

TAURUS (April 20-May 20) -- You can learn an important lesson by watching someone who is not prepared struggle with getting started. You mustn't make the same mistake.
