HOROSCOPES by Stella Wilder

FRIDAY, JUNE 7, 2019

YOUR BIRTHDAY by Stella Wilder
Born today, you are quick to dedicate yourself to causes that you deem worthy of your support, but there are times when this might expose you to those who would take advantage of you and deprive you of money, resources and reputation. You mustn't be so quick to say yes to those who come to you asking for help. Take the time to do your homework and decide, based on the evidence available to you, whether you want to lend your support to someone's pet project. You are quite adept at assessing the importance of a given situation; you are not the kind to wonder or vacillate when it comes to making up your mind. You enjoy being connected to others through daily affairs, but again you must always guard against being taken advantage of by someone who sees you as an easy mark. Not everyone is as honest or honorable as you are.

SATURDAY, JUNE 8
GEMINI (May 21-June 20) -- Something new is about to begin, and you must prepare yourself by dispensing with anything old that may be insidiously holding you back.

CANCER (June 21-July 22) -- There are many possibilities before you today, and what you choose will depend upon more than timing. State of mind is an issue.

LEO (July 23-Aug. 22) -- You'll want to promote yourself and your ideas more aggressively at this time. Make no mistake, however -- you are still only human.

VIRGO (Aug. 23-Sept. 22) -- The difference between what is real and what is only imagined may become blurred today. Do what you can to steer others in the right direction.

LIBRA (Sept. 23-Oct. 22) -- Your perception of a certain event is likely to differ dramatically from the official version. Let others know what you think.

SCORPIO (Oct. 23-Nov. 21) -- What you have to say must be said directly today. Don't let anyone intimidate you or make you think you have less to offer than you really do.

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone else's mistakes are likely to benefit you in ways that you will not immediately recognize. Later you'll be more aware.

CAPRICORN (Dec. 22-Jan. 19) -- An assignment you receive today needn't be accepted immediately. Take the time to assess its potential -- and your own as well.

AQUARIUS (Jan. 20-Feb. 18) -- No explanation is likely to be good enough today when you are facing those whom you have recently offended. Only an apology will suffice.

PISCES (Feb. 19-March 20) -- Whether you are working indoors or playing outside, you'll want to apply yourself in a manner that lets others know you mean business.

ARIES (March 21-April 19) -- Someone is trying to derail your plans with a scheme that cannot hold water. You won't have to wait long until the threat disappears.

TAURUS (April 20-May 20) -- Things are lining up in your favor today, but you will still have to prove yourself when the time comes. You know exactly how to do this.
