HOROSCOPES

by Stella Wilder

TUESDAY, JUNE 25, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most excitable individuals born under your sign, and you are always getting wound up about some new idea or project. Indeed, it's when you don't have something on the docket that you can become quite withdrawn, sour and unpleasant -- but that's really only because you are bored, and boredom, for you, is the great enemy. When you have things going on, you are quite affable and able at all times to maintain a positive and accepting attitude. You appreciate diversity, and you recognize that it takes all kinds to make the world go 'round.
WEDNESDAY, JUNE 26
CANCER (June 21-July 22) -- You may be relieved to learn that what you've recently done, good and bad, has gone largely unnoticed. Most problems are soon solved.
LEO (July 23-Aug. 22) -- Someone may throw you a curve today, but you're able to lean into it and make something of your turn at bat. Others appreciate your style.
VIRGO (Aug. 23-Sept. 22) -- You're not going to appreciate being misrepresented in any way today. You'll want to be sure your words are remembered accurately.
LIBRA (Sept. 23-Oct. 22) -- If you can't present yourself in a fully professional manner today, it's best not to pretend. It may be time to upgrade your equipment.
SCORPIO (Oct. 23-Nov. 21) -- You may have the opportunity to rethink your current plans -- but is that necessary? You have the backing of someone important.
SAGITTARIUS (Nov. 22-Dec. 21) -- It's a good day to follow up with someone who has made a promise to you but has not come through -- yet. Strike now or hold your peace.
CAPRICORN (Dec. 22-Jan. 19) -- You're waiting to know whether a recent proposal has been accepted. You can use the time spent waiting to raise your status.
AQUARIUS (Jan. 20-Feb. 18) -- You may fear that you're not being considered for a promotion, but certain unforeseen events may be making communication difficult.
PISCES (Feb. 19-March 20) -- How you say what you say could well matter more than the message you are imparting. Yes, that means it's style over substance today.
ARIES (March 21-April 19) -- You are eager to know more about a certain endeavor before you sign on. It's not so much the questions you ask but whom you ask that matters.
TAURUS (April 20-May 20) -- The difference between the ordinary and the extraordinary is demonstrated to you in a most profound fashion. You'll be glad to be involved.
GEMINI (May 21-June 20) -- There's only so much you can do to affect how other people see you. Remember that you cannot please all the people all the time.
